Happiness Is . . .

What is it? To every individual, happiness has a different and unique meaning. To a football player it might mean winning that all important game; to a boy and girl it could be the joy of love. It could also be the feeling of accomplishment a teacher experiences when his students pass an exam. It's warmth, excitement, anticipation, and satisfaction. Happiness is being a part of Highlands.

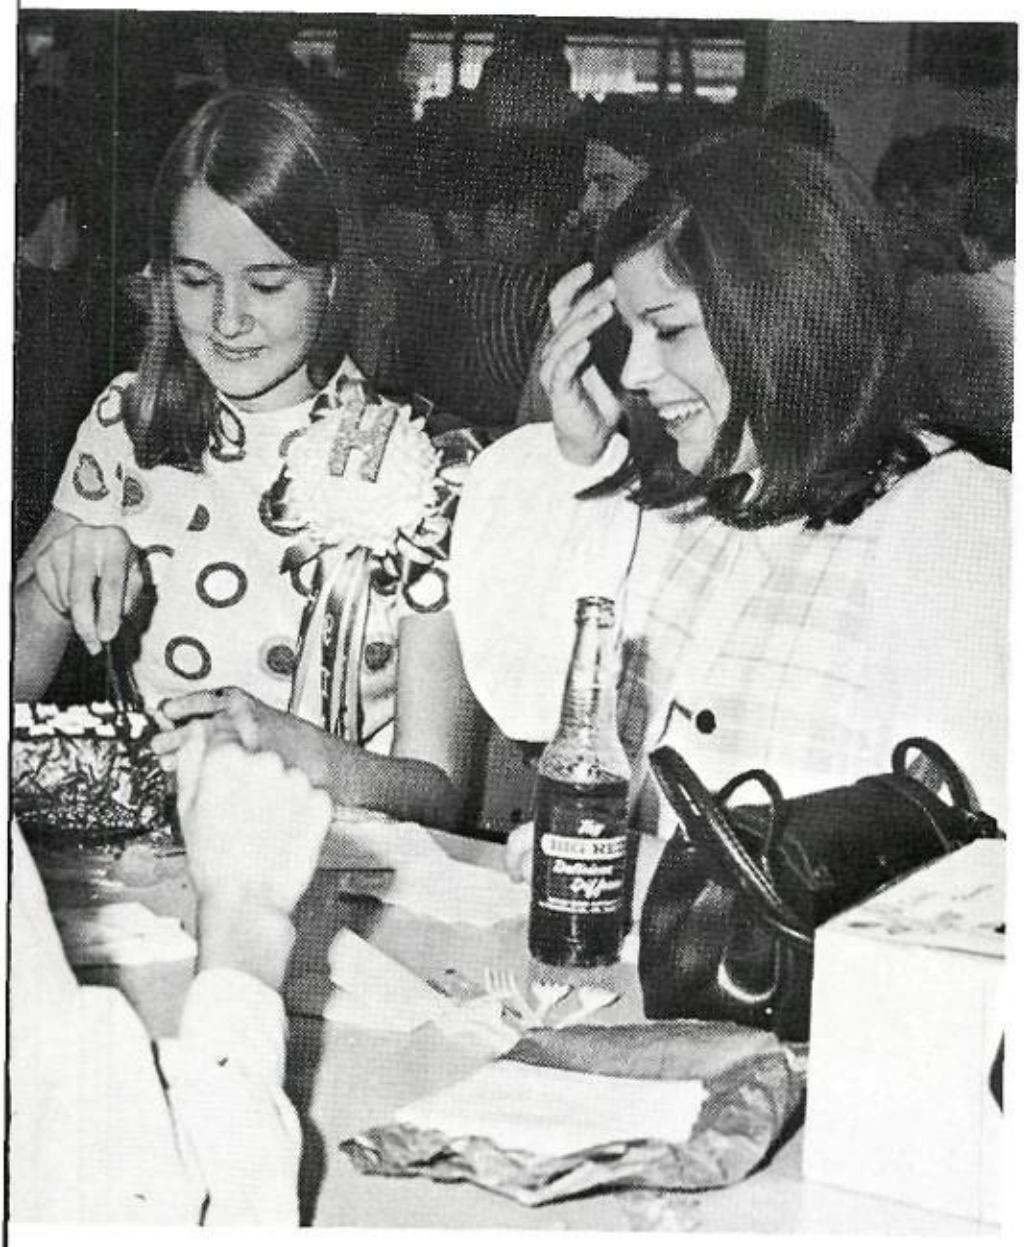

Sarah Wade wonders if she is being watched as she samples the icing on her piece of cake.

Students find time to joke around in the cafeteria before the daily routine of classes begins.

Spirit Rises High!

What's this? A McCollum Cowboy at one of our pep rallies? No, it's Cyrus Avey portraying a Cowboy to show . . .

. . . what can happen to one who dares to show up at H.H.S. As Jimmy Biggers rose up the ladder, so did the spirit and KA-POW!

The result? It's quite plain to see that this is what can happen to a McCollum Cowboy who wanders into the midst of the Mighty Owls.

Owls boost the team on to VICTORY!

A Time To Play . . . A Time To Study

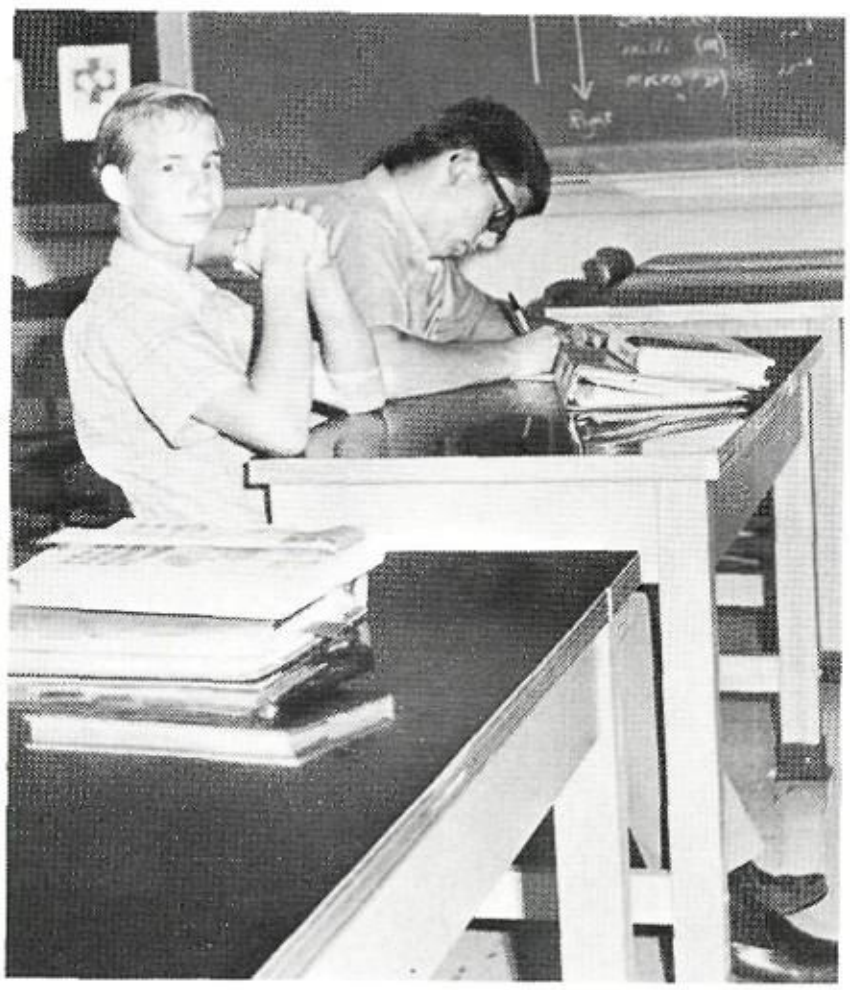

Studying and completing homework are a must if a student wishes to make good, passing grades, and studying does not end when one leaves school. Homework can sometimes take up whole afternoons and evenings.

Even though studying has ruined whole weekends, it is a must if a knowledgeable education is to be achieved.

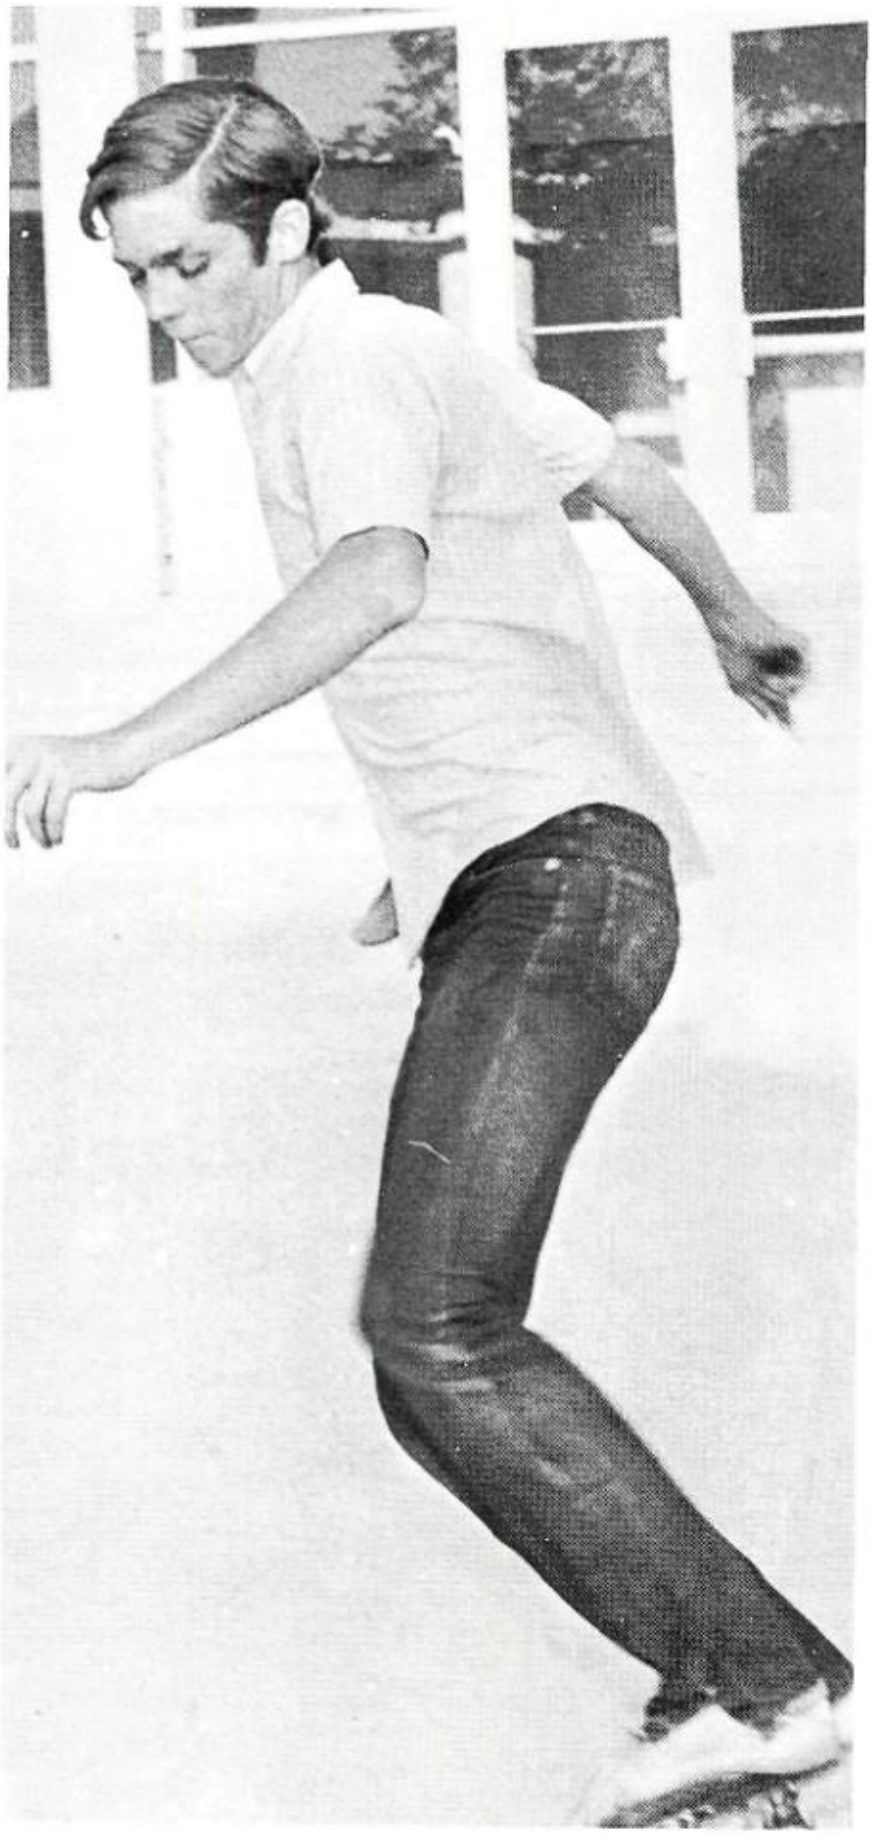

Jo Kruger and David Haney can study better in pairs.

Students Play Around

Harold Wells does some sidewalk surfing in his spare time.

Bobby Popp has a barrel of fun as he practices for bull riding.

Longing for the country, Tim Welch tries his hand at driving a tractor.

Diphtheria Shots—A Highlands First

Are shots fun? Not hardly, but if they mean saving your life you can be sure they'll be taken. This past summer a vast outbreak of sickness soon became known as the Diphtheria Epidemic. To solve this problem, the entire city of San Antonio started a huge immunization program. As a result, Highlands joined in the campaign and began giving free vaccinations. All students and administrative staff members were urged to take the shots.

Top: "Well, if I must, I must," sighs Lucy Duncan as she receives her inoculation. Bottom left: It appears as though Cathy Brehm prefers to sleep as Mrs. Veach administers her shot. Bottom right: Glen Henry bravely takes his shot.

Pants, Hair, And Moustaches!

Pants, hair, and moustaches. Those were the new words heard around the campus when the dress code was relaxed as of December 9, 1970, through the efforts of the Student Council and the cooperation of Mr. Vetter. Accepted and unaccepted female wear and male hair lengths were modeled by Student Council members at a special assembly which introduced the new dress code. Needless to say, the student body welcomed the new rulings with open arms as was evident by the large number of pant suits that popped up in the hallways the day the ruling went into effect.

Above: Dawn Smith and Marianne Roba seem to be fighting over whose pants are prettier. Below: David Leyva and Lynda Brown are pleased at the outcome of the dress code assembly.

Kathy Calloway is really excited about wearing pants for the very first time to school.

FRIENDS

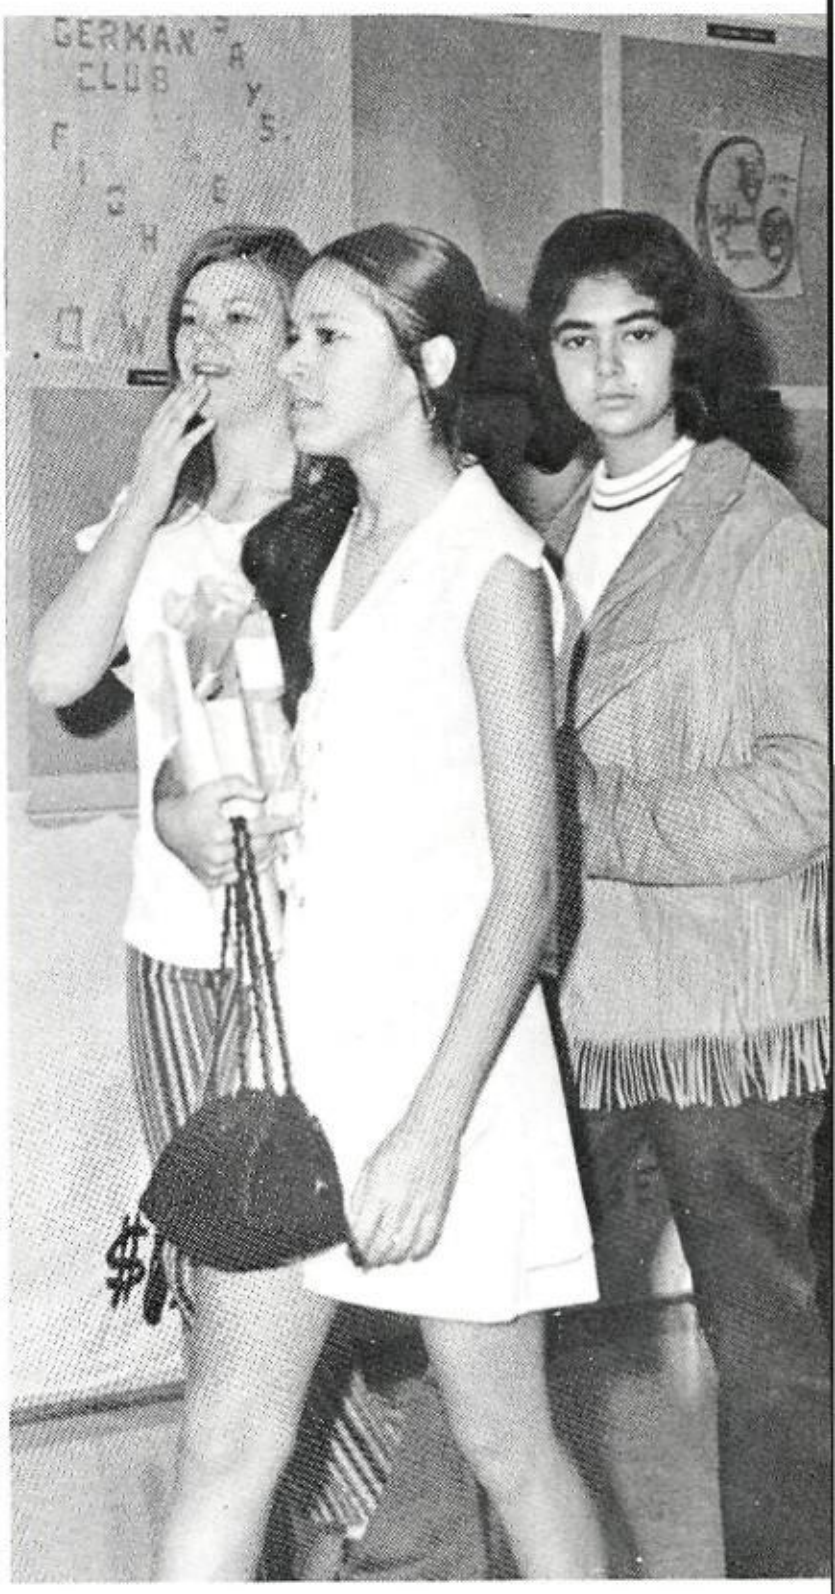

A friend is someone who'll console you when you're sick or feeling blue;

Someone to phone and to talk to when there's nothing much to do.

Someone who'll back you up when others think you're wrong;

Someone who's kind and gentle, yet forceful and strong.

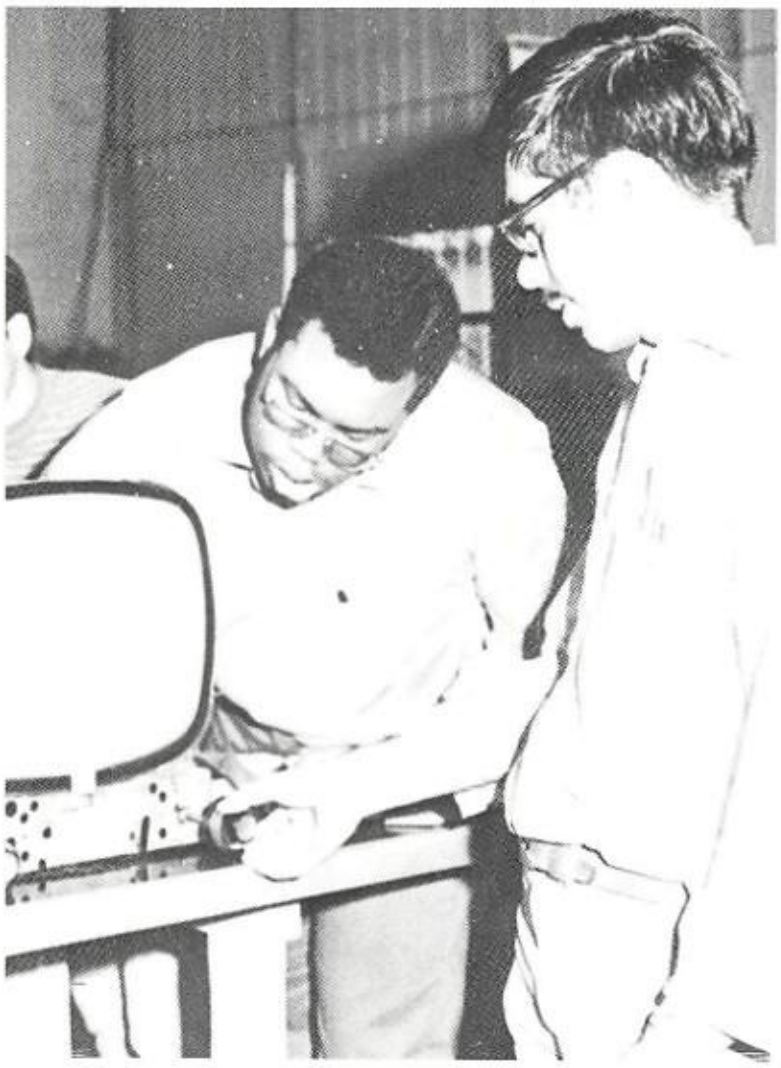

Someone to see a movie with on a quiet Saturday morn;

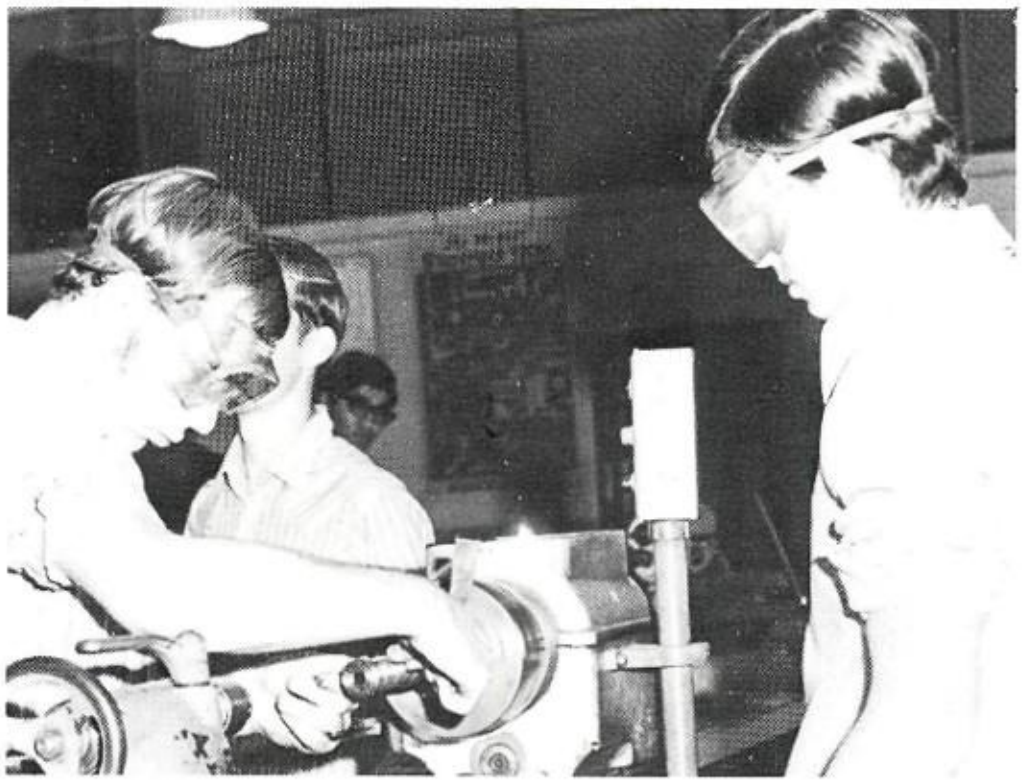

Someone to shop for clothes with; who'll cheer you when you're worn.

Though times change so rapidly in the world of today,

The beauty of true friendships will never fade away.

Ben Barnes Visits HHS

On the evening of Tuesday, September 29, 1970, the Highlands Park Lions Club sponsored a seminar in the school auditorium on the value of the youth in our communities. Mayor Walter McAllister introduced Lt. Governor Ben Barnes who was the guest speaker of the evening.

Dr. Clifton Maxwell gave a brief introduction on the purpose of the seminar. After the introduction, the audience split up into "buzz sessions" in order to get some personal opinions on current day topics and problems. A good nights work produced some great ideas!

ADMINISTRATION and FACULTY

Kicking Off The School Year

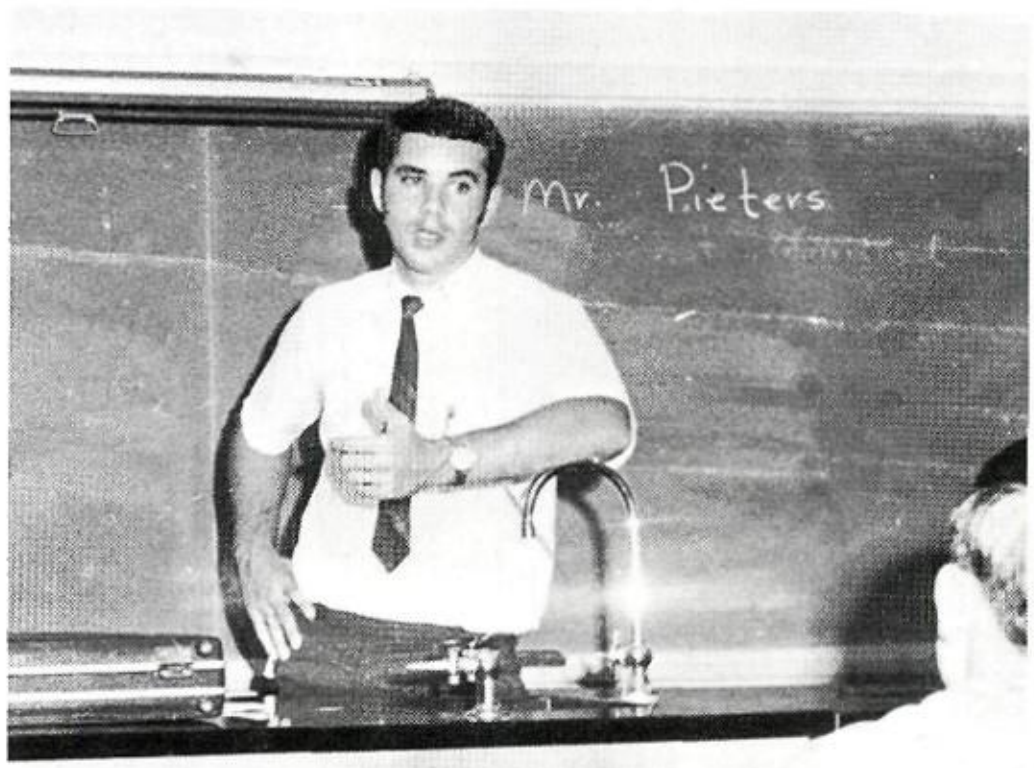

The beginning of this school year was different for many reasons. For the first time, classes started August 31. This meant that both students and faculty had to start preparing early.

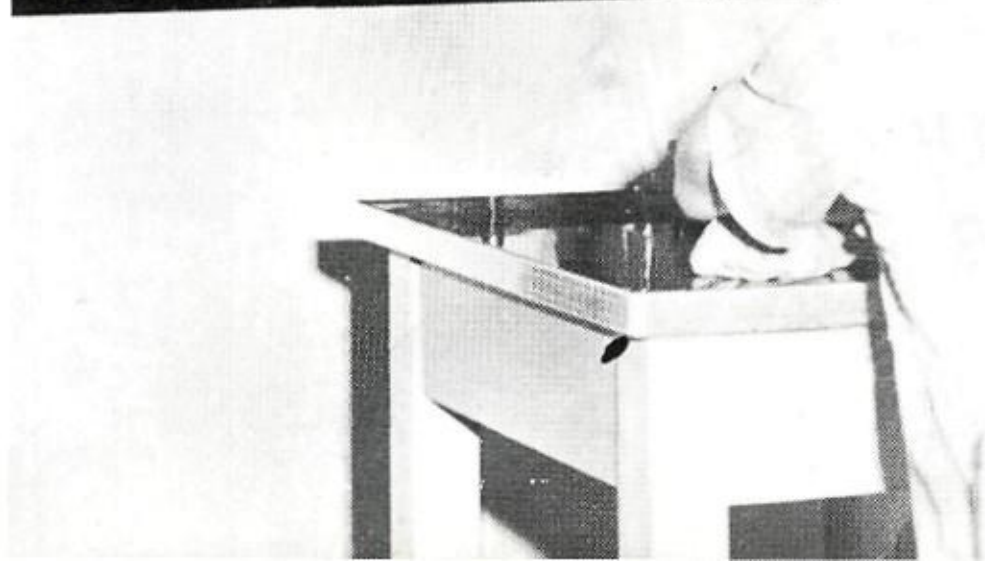

Freshmen entered the halls of HHS. Most of them came from Riley and Jeff Davis. Thus, more classes were added to the curriculum.

Wheatley was closed this year forcing a large number of its students to attend Highlands.

After the first few weeks of school, the students finally got into the swing of things: homework, classes, discussions, pep rallies, sports, jokes, and FRIENDS!

Top left: Mrs. Virginia Schelper, Mrs. Billie Jackson, and Mrs. Margaret McBride discuss their class plans in the English workroom. Bottom left: Mr. Edward Pieters explains a problem to one of his students. Top right: Miss Rozanne Severson, Mr. Bobby Prestwood, and Mrs. Betty Briggs display Amish which was made last year by the art department. Bottom right: Mr. Walter Howard is proud of the cake he received for his birthday.

Teachers In Action

Mr. Dennis Crane directs the Sophomore Band during a practice session.

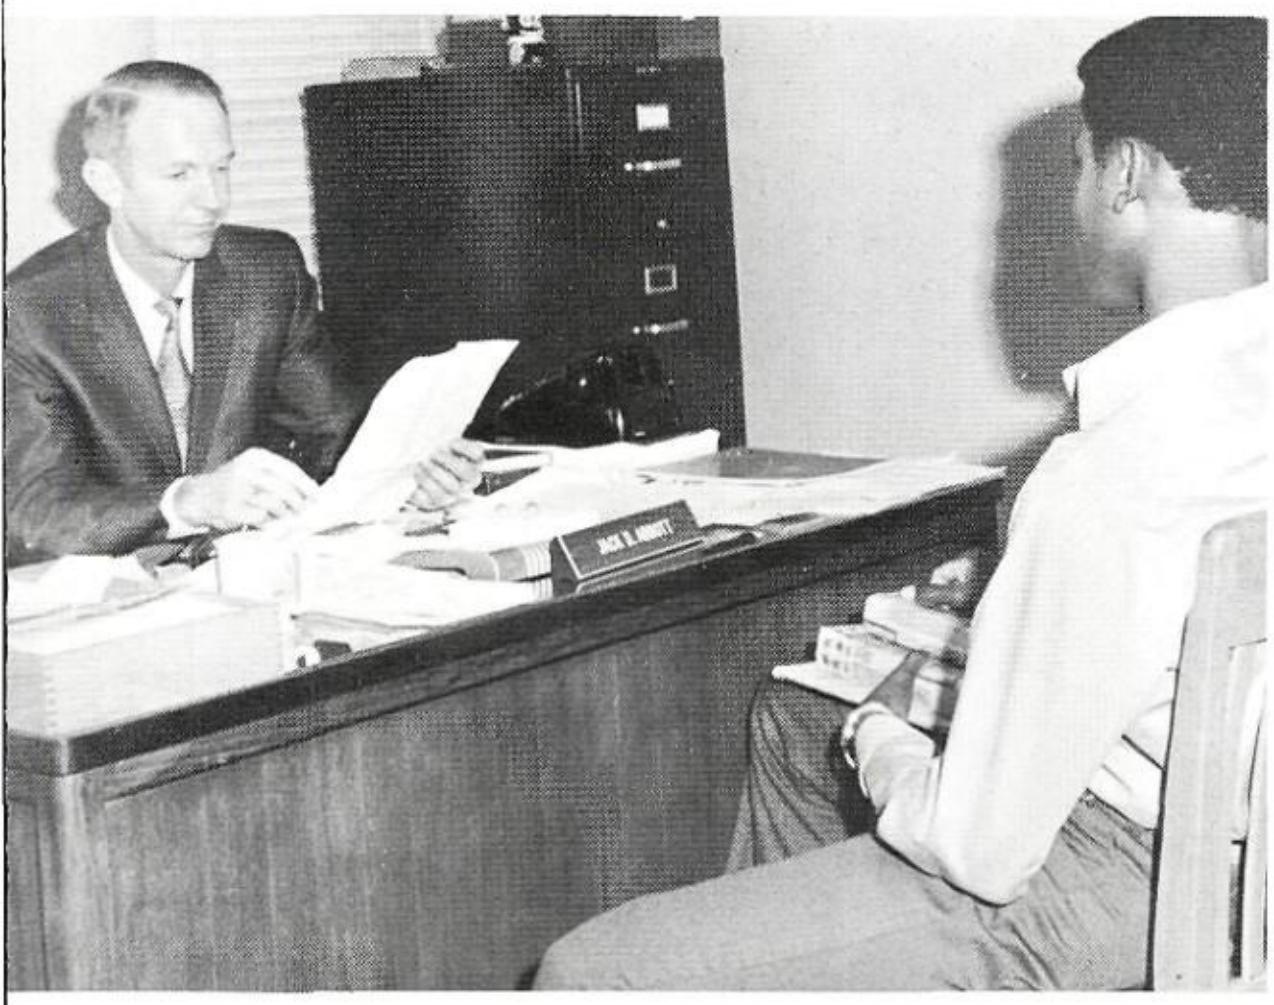

Miss Peggy Wooduł becomes a hostess to her students' parents during open house.

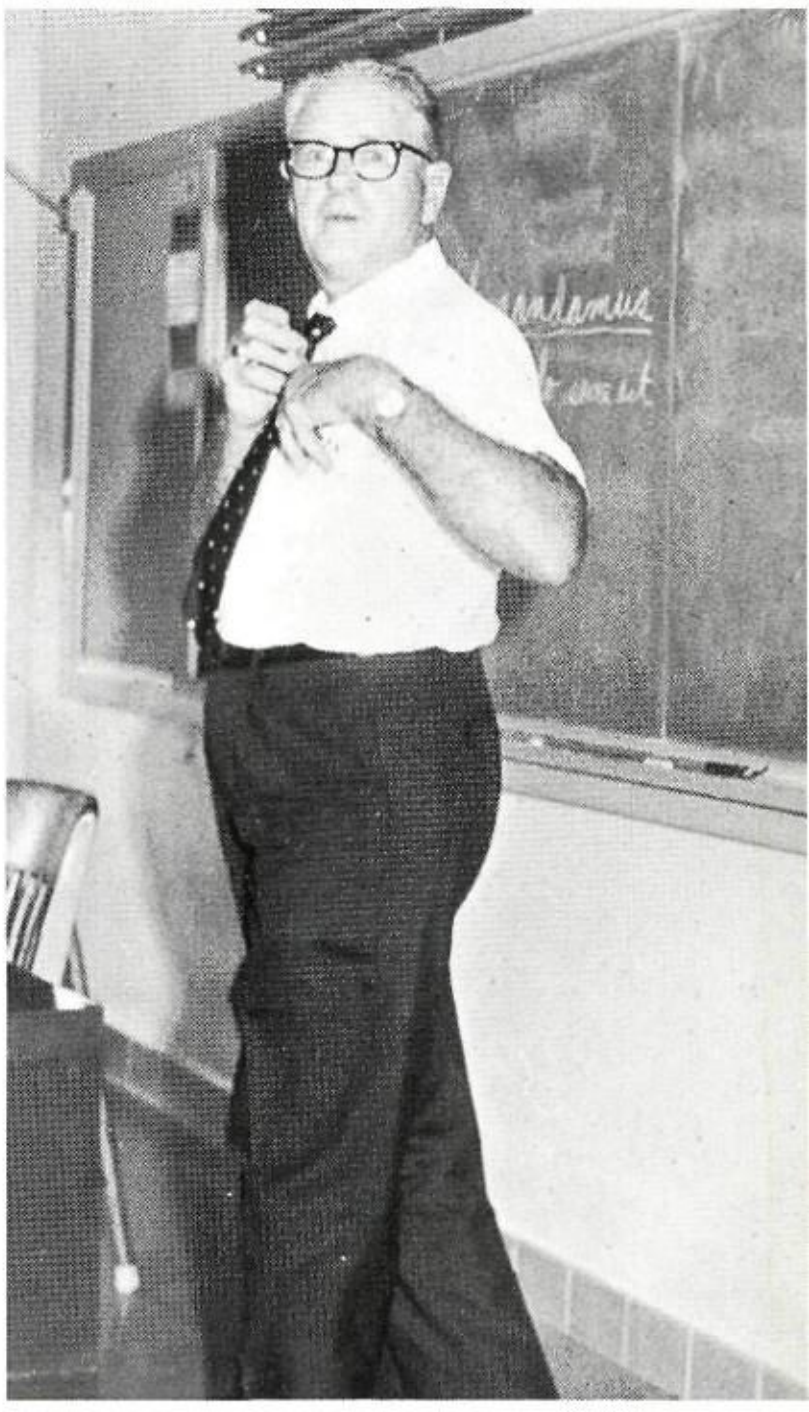

Mr. Michael Cristofoletti, "with a little help from his friends", speaks during a pep rally.

Even teachers have to research problems, as Mr. John Hunter illustrates.

Above: Mr. Jack Abbott helps a student with his problem. Right: A photographer catches Mr. Alvin Roesler by surprise as he prepares to go home at the end of a busy school day.

The Hub Of The Wheel Of Knowledge

Mr. Raymond Arnold, Deputy Superintendent, and Dr. Harold Hitt, Superintendent of the San Antonio Independent School District.

Mr. A. W. Norton, Assistant Superintendent.

The Board of Education for the year 1970-71 is: Front row: Pete Cantu, assistant secretary; Mrs. Robert E. Durr, secretary; Richard Teniente, president; and Mrs. L. Bonham Jones, vice-president. Second row: Mr. S. J. Davis, Mr. Jerry M. Dietert, and Mr. Ralph R. Cardenas.

In order to achieve desired goals in life, the wheel of knowledge must turn. The hub of this wheel is the administrative body of the school which is composed of the superintendents, the Board of Education, the principals, and other faculty members.

The members of the Board of Education voluntarily serve as the policy-making body of the school district. The trustees are elected to serve six-year terms. Board meetings are open to the citizens of the school district.

Mr. Vetter and Mr. Abbott guide all school functions. They are interested in the activities of both the individual student and the Highland's student body as a whole. With their help, the students gain the virtues of truth, honor, and wisdom.

College Or Bust!

The college preparatory school is designed to aid those Juniors and Seniors who plan to attend college. Advanced courses have been devised to prepare the student for the heavy load of work he will have in college. The courses required for college, such as advanced math, English, science, and foreign languages, are available at Highlands. Many scholarships are available for qualified students. Financial aid is also accessable to those students without funds. Miss Ackerman, dean, Mrs. Tillman and Mrs. Gilliam, counselors, are well qualified in helping the students of HHS with preparations for enrollment in college.

Mrs. Billie Gilliam—Counselor; B.B.A., Texas A&I University; M.A., St. Mary's University.

Business Is Booming

The business and technical school is for those Juniors and Seniors interested in the growing world of business. The Building Of A Solid Foundation

Sophomores and Freshman take basic courses which form for them a solid foundation on which to build towards their goals. Mr. Fleming, dean, along with the counselors, Mrs. Fowler and Miss Yaeger, help the students prepare for their futures. In the years ahead, the students will decide which educational program they wish to take. The students may choose either a college preparatory program or a business and technical program. When they are Juniors and Seniors, the students will take courses which will help them in their future lives.

Mrs. Willeta Fowler—Counselor, B.S., Langston University; M.Ed., Trinity University.

People Who Care . . . The PTA

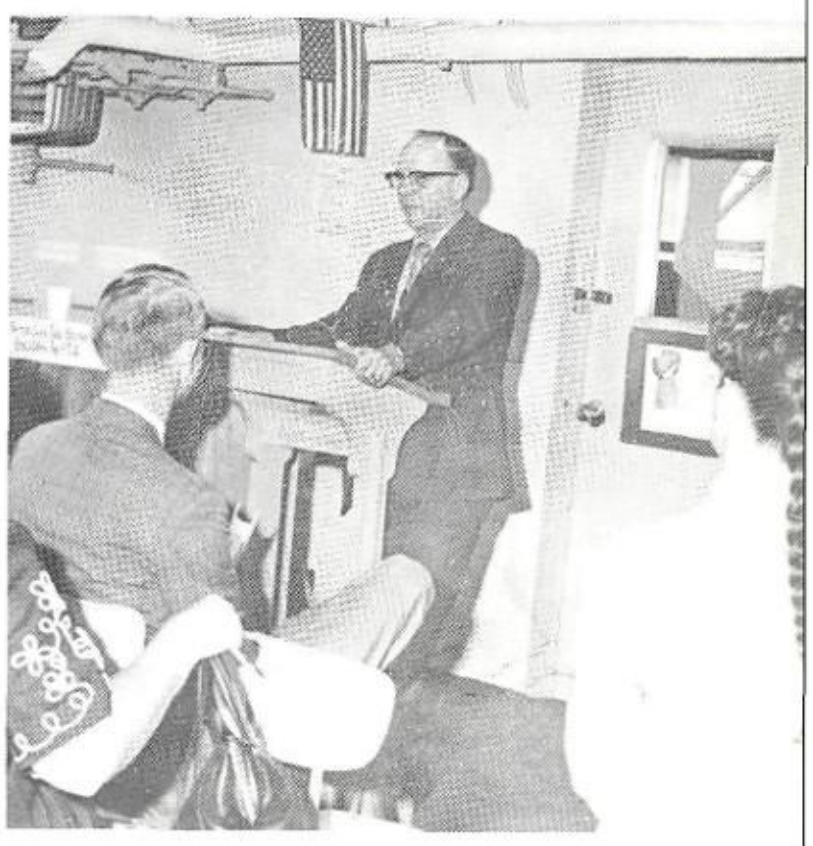

The Highlands PTA takes interest in all the events at our school. Members raised money for their many projects by selling cakes and collecting donations at the annual open house. The PTA sponsored the spring picnic for each class as well as the Junior-Senior prom, and presented a scholarship to a deserving Senior. The PTA was also responsible for beautifying our school and supplying it with any needed equipment that would better educational standards.

English . . . The Basic Element

The use of the English language has spread across the world. Understanding and learning the proper use of this language requires many years of study. Over the years it changes to keep in pace with the times.

Math Equals More Than 2+2

A wide variety of math courses are available at H.H.S. Students may enroll in any course from related math to elementary analysis. Students use reasoning, common sense, and their previous knowledge of math to find the answers to problems.

For three years the math department has sponsored math tutoring for those students needing help in any math course. Teachers and students volunteer their time and knowledge to help others. The tutoring has proven very successful and beneficial.

History . . . The Chain Of Events

What is history? History is the story of man—from the time he is born until the time he dies and the chain of events which links the two.

World History, American History, Government, Texas History, economics, sociology, Mexican-American History, and Negro History are the many courses available. Students learn from these courses how things might be changed to create a better future for the fast changing world.

Bubbling Out Of A Test Tube . . . Science

Take the basic element—hypothesis, add a goodly amount of facts and observations gained through experimentation, stir in a dash of logic; mix well, and the result is the compound science.

Science requires an understanding of math and the world around us. Through experiments, observations, and careful study, students answer questions and prove theories. The subjects offered are ninth grade science, biology, chemistry, and physics.

The knowledge of a foreign language is an asset for anyone. The languages taught at Highlands include Spanish, German, French, Russian, and Latin. Up to five levels are offered in some languages. The student learns the grammar, pronunciation, reading, writing, and history of the foreign language he is studying.

Above: Mrs. Alberti gives her German class a vocabulary drill. Left: Mrs. McMillian waits for her students to finish an assignment.

A Household Necessity . . . Homemaking

Girls develop useful skills which are essential for good homemaking. In the cooking lab, girls learn new recipes, how to prepare foods, how to properly serve dishes, and how to set the table. The sewing classes teach the basic methods of sewing along with such skills as altering and tailoring. Also included are such subjects as family relations, consumer economics, and child development.

In this way, the student better develops socially and mentally.

Building A New World

Highlands offers vocational courses for the students interested in industrial trades. The skills taught often lead to an interesting career or hobby. A variety of courses are offered such as radio and TV as well as drafting and Industrial Cooperative Training.

The training experienced by the student enrolled in one of these courses, aids him in deciding for himself the quality and quantity of materials necessary for his work.

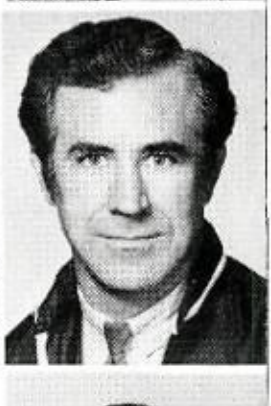

Mr. Newt Anglin—B.S., East Texas University; Industrial Cooperative Training.
Mr. Richard Fischer—B.S., Texas A&M, Southwest Texas State; Metal Shop.

Mr. Eugene Foster—B.S., M.S., East Texas State University; Woodwork.
Mr. Jimmy Pape—San Antonio College, Tarrant County Junior College; Radio & TV.

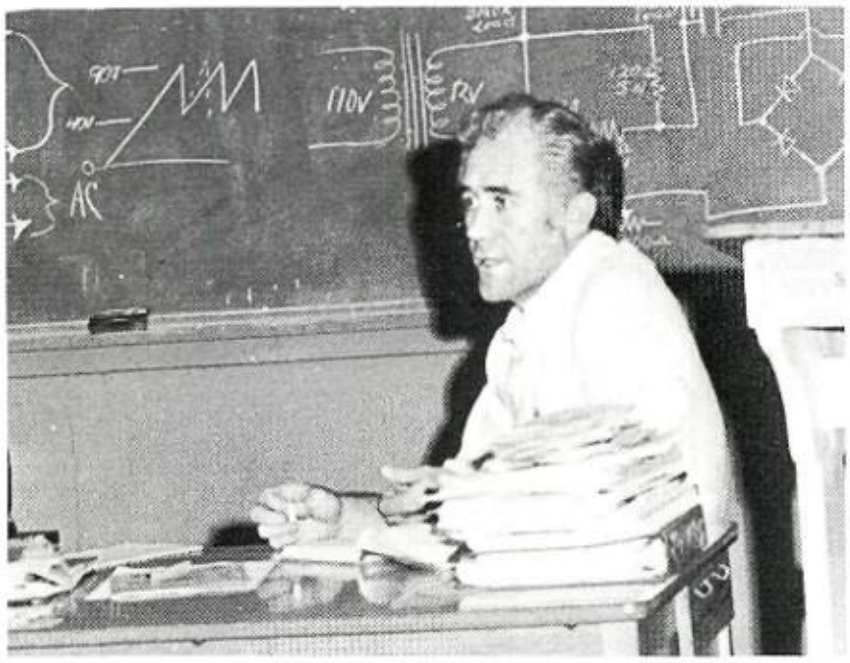

Mr. Richard Manna—B.S., Texas A&I University; Drafting.

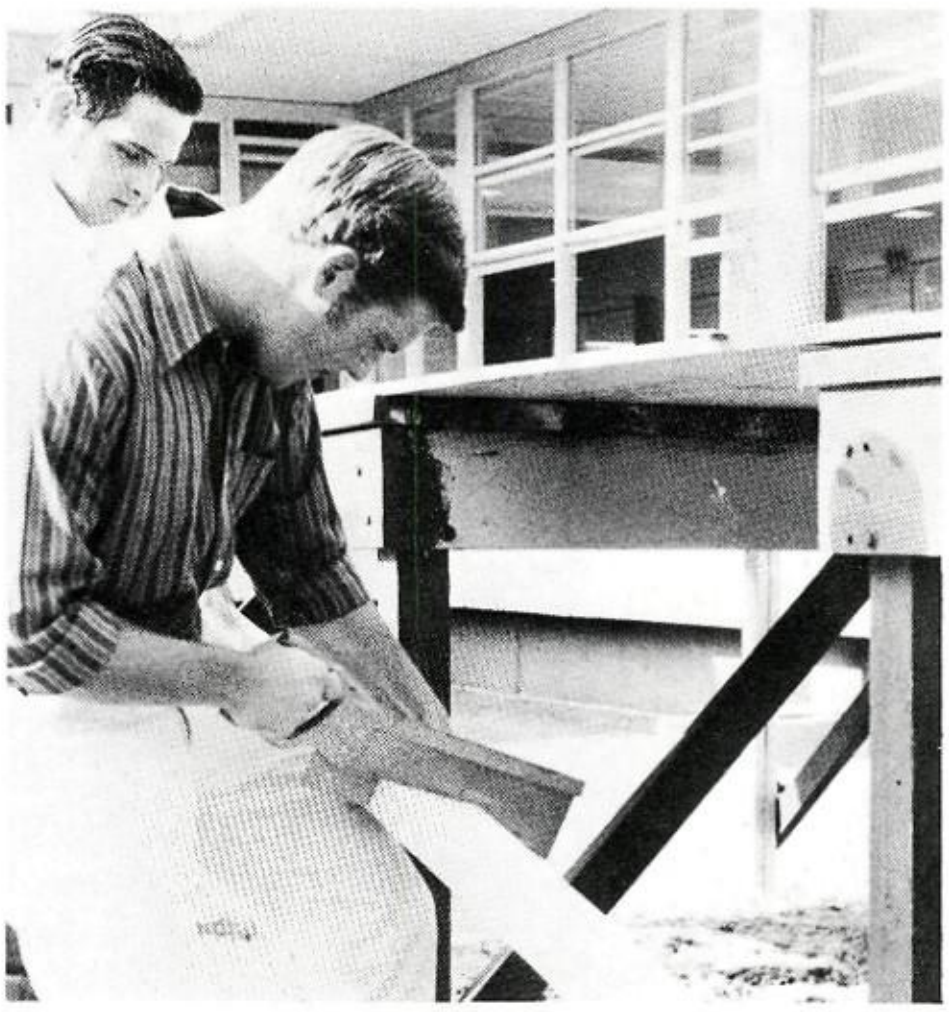

Jack Morrison and Ken Roberts work together on a project for their shop class.

Health And Fair Play

Miss Ruth Batot—B.S., M.Ed., Our Lady of the Lake College; Physical Education.
Miss Gwendolyn Boynton—B.S., Trinity University; Physical Education, Sponsor of Brigade.

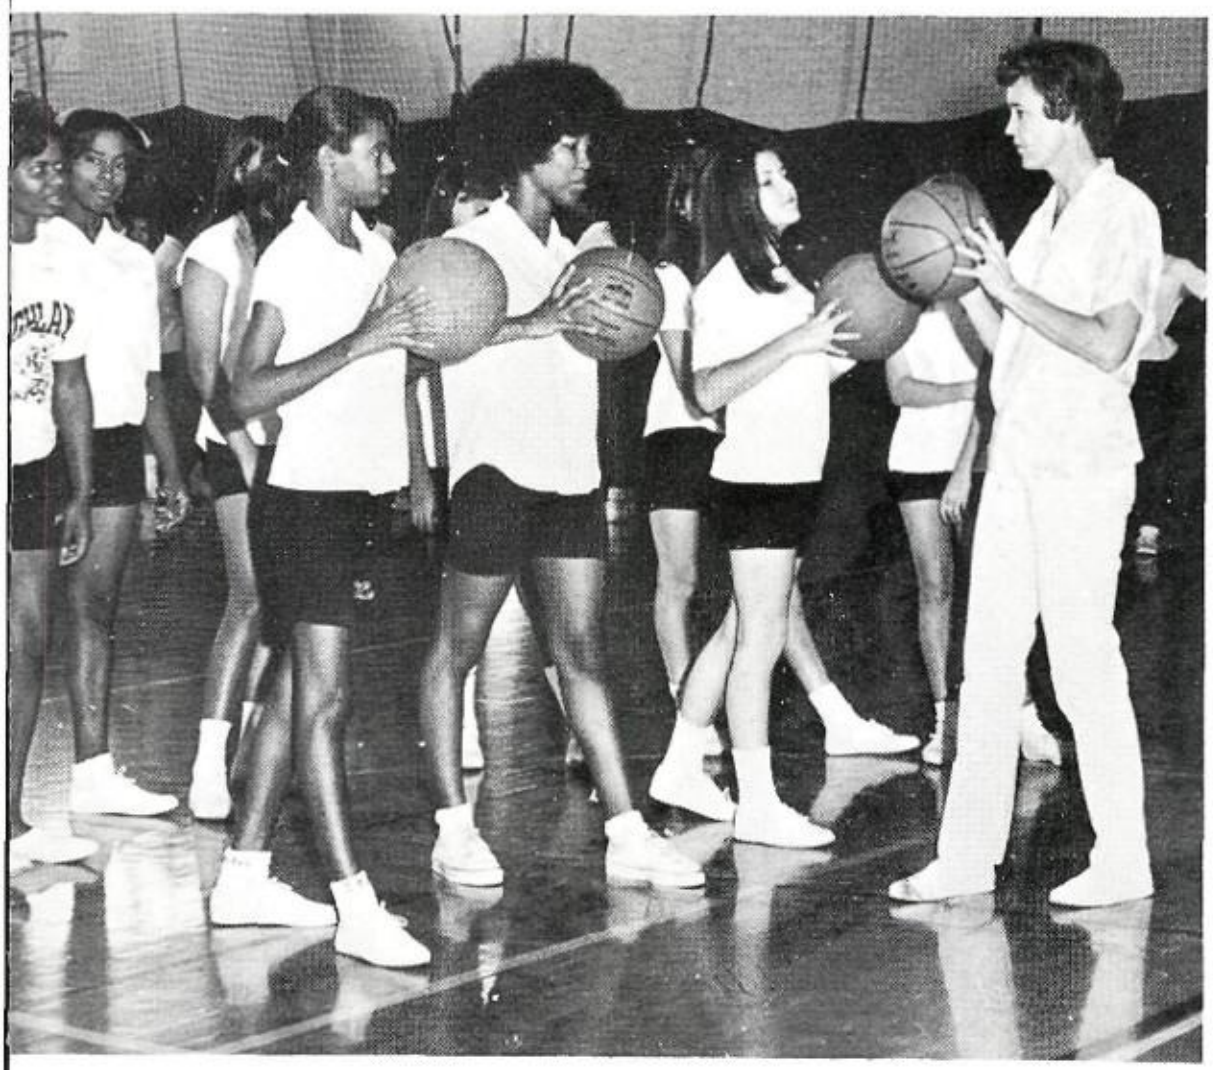

Miss Ellen Brient—B.S., M.A., Texas Woman's University; Health, Drivers Education.
Miss Alva Fisher—B.S., Our Lady of the Lake College; Physical Education.

Physical education is a required course for graduation unless a student is taking an acceptable substitute course. PE improves the body and mind.

The girls are taught western and folk dances. They compete against each other in sports such as volleyball, baseball, basketball, bombardment, tennis, soccer, and track. Competing in sports activities helps to build good character.

Above: Miss Fisher teaches the girls the fundamentals of basketball. Top and Bottom right: The Highland Belles drill in their uniforms every Wednesday afternoon. As a unit of the ROTC, the girls drill team has its own officers.

Keeping Up To Par

Physical education for boys employs competition, responsibility, and leadership. The main goal of PE is to develop the student both physically and mentally. Sports such as football, baseball, tennis, basketball, track, and golf help produce the characteristics of good sportsmanship.

The ROTC at Highlands is a very rewarding organization for those interested in a military career. This year a girls drill team, the Highland's Belles, was organized and proved to be very successful.

Sgt. Maj. Victor Chaney—Commandant of Cadets.
Mr. Thomas Henslee—B.S., Trinity University; Baseball Coach, Driver's Education, Assistant Football Coach.

Mr. John Kemmerzehl—B.S., Lamar State College of Technology; Coach.
M/Sgt. Elmer Rigdon—ROTC.

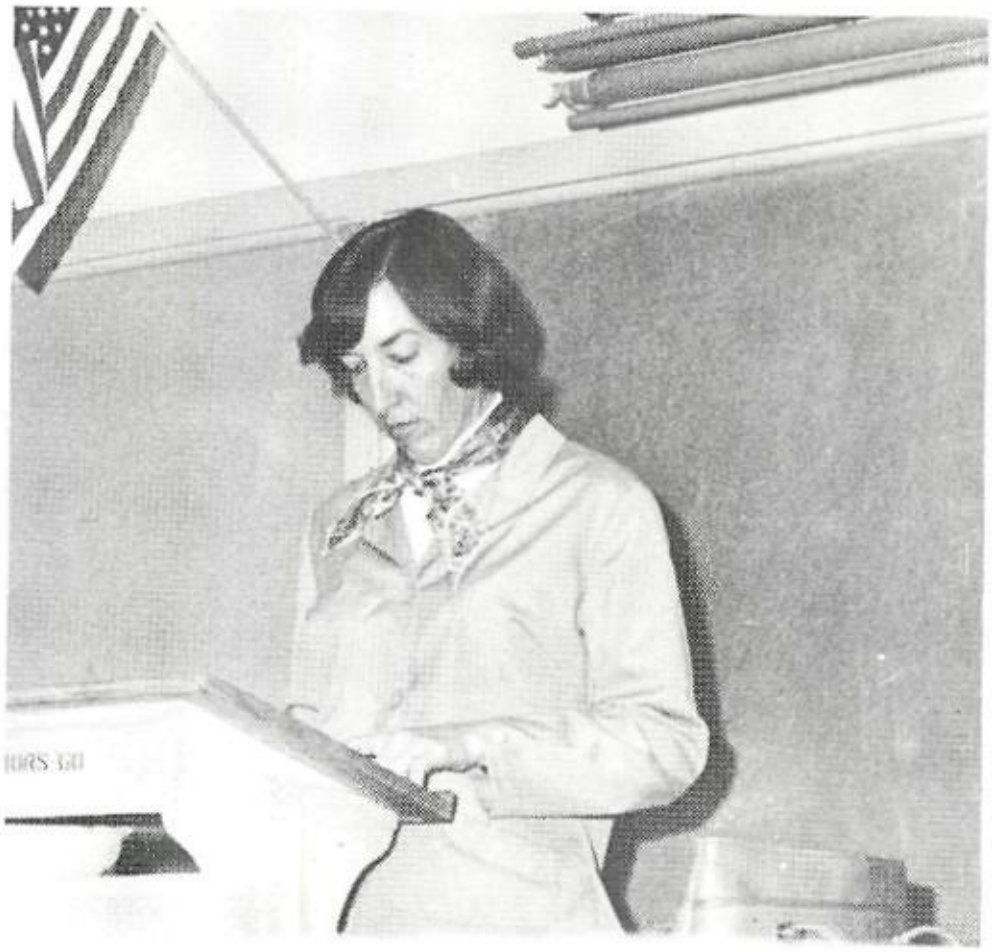

The coaching staff is composed of: Seated: Mr. Virgil Peterson, Assistant Coach; Mr. Thomas Henslee, Baseball Coach; Mr. Walter Howard, Golf Coach; Mr. Carl Mangold, Tennis Coach; and Mr. Lionel Gonzales, Track Coach. Standing: Mr. Jack Price, Freshman Coach; Mr. Lyman Davis, Assistant Football and Basketball Coach; Mr. John Kemmerzehl, Basketball Coach; Mr. Paul Martin, Football Coach; and Mr. Macon Smith, Assistant Football Coach.

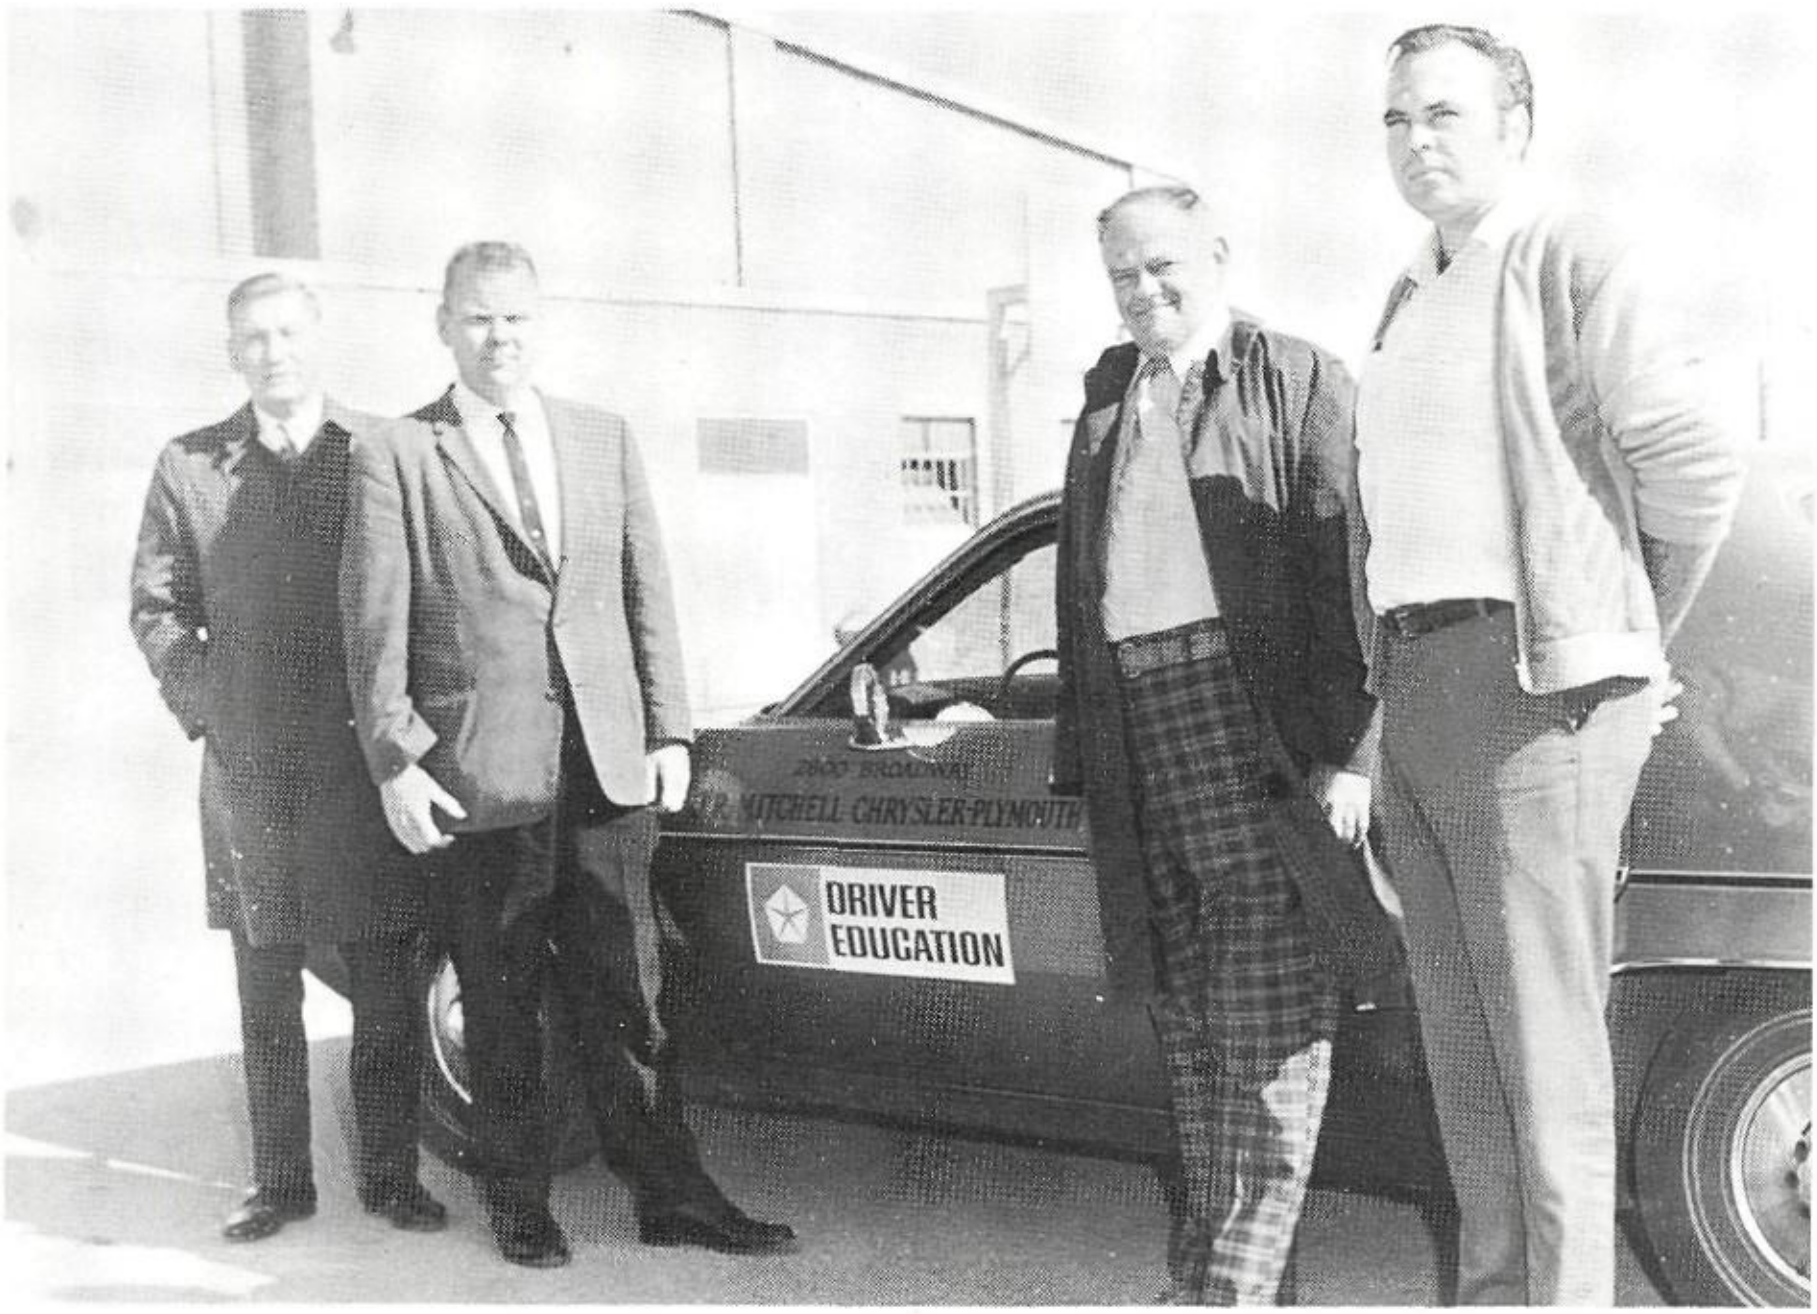

Watch Out For The Other Guy

The only way to drive is the safe way. This is the basic idea taught in all driver's education phases.

Phase I is taught in the classroom. This part of the course teaches the student traffic laws, safety hints, and automobile upkeep. Phase II uses the simulator which is equipped with mock-up cars and films. Behind the wheel training is also given as part of this phase.

Right: Miss Brient calls out answers to a Phase I test. Below: Phase II teachers are: Mr. Dean Bierkamper, Mr. Robert Wier, Mr. William Kelly, and Mr. Marvin Lemons.

Where The Action Is

The pulse of our school is the main office. Daily jobs such as printing the day's bulletin, filing, typing, issuing textbooks, recordkeeping, and depositing money are taken care of by the office secretaries. Tickets for school events are also sold here.

Highlands also has a full-time nurse. She checks health records and gives tests for vision and hearing defects. This year she administered diphtheria shots to students needing them.

Above: Before getting down to serious work, Mrs. Howard jokes with Miss Ackerman. Below: Mrs. Grace Wolle, the principal's secretary, does some daily typing.

A Place To Rap, A Place To Nap

Mrs. Lorraine L. Benedict—B.S., Texas University; M.S., Our Lady of the Lake; Assistant Librarian.
Mrs. Odena Clark—Study Hall Supervisor.

Miss Beverly Davis—Library Aide.
Mr. Herbert Hannon—B.A., Talladeze College; Study Hall Supervisor.

Mrs. Sonya Shuler—Study Hall Supervisor.
Mrs. Betty Wallace—Library Aide, Visual Aids.

Many of Highlands students have a study hall period to fill in their schedule. Study hall students are given the opportunity to take Driver's Education and to talk to their counselors. Some students use their time to catch up on homework or to use the library. Others rap about the day's news. A few students sleep in study hall.

The school library is constantly changing. New materials are added each year to help improve it. Thousands of books are available for students to check out. Reference materials aid students in writing themes and research papers. The library staff teaches students how to find the information they need.

The study hall supervisors use many techniques to control discipline so as to maintain a quiet atmosphere suitable for studying.

Left: Mrs. Clark reprimands Mike Reed and confiscates his paper airplane. Above: Mrs. Gonzales, head librarian, and Mrs. Karen Bishop, new librarian, prepare new books for students to use.

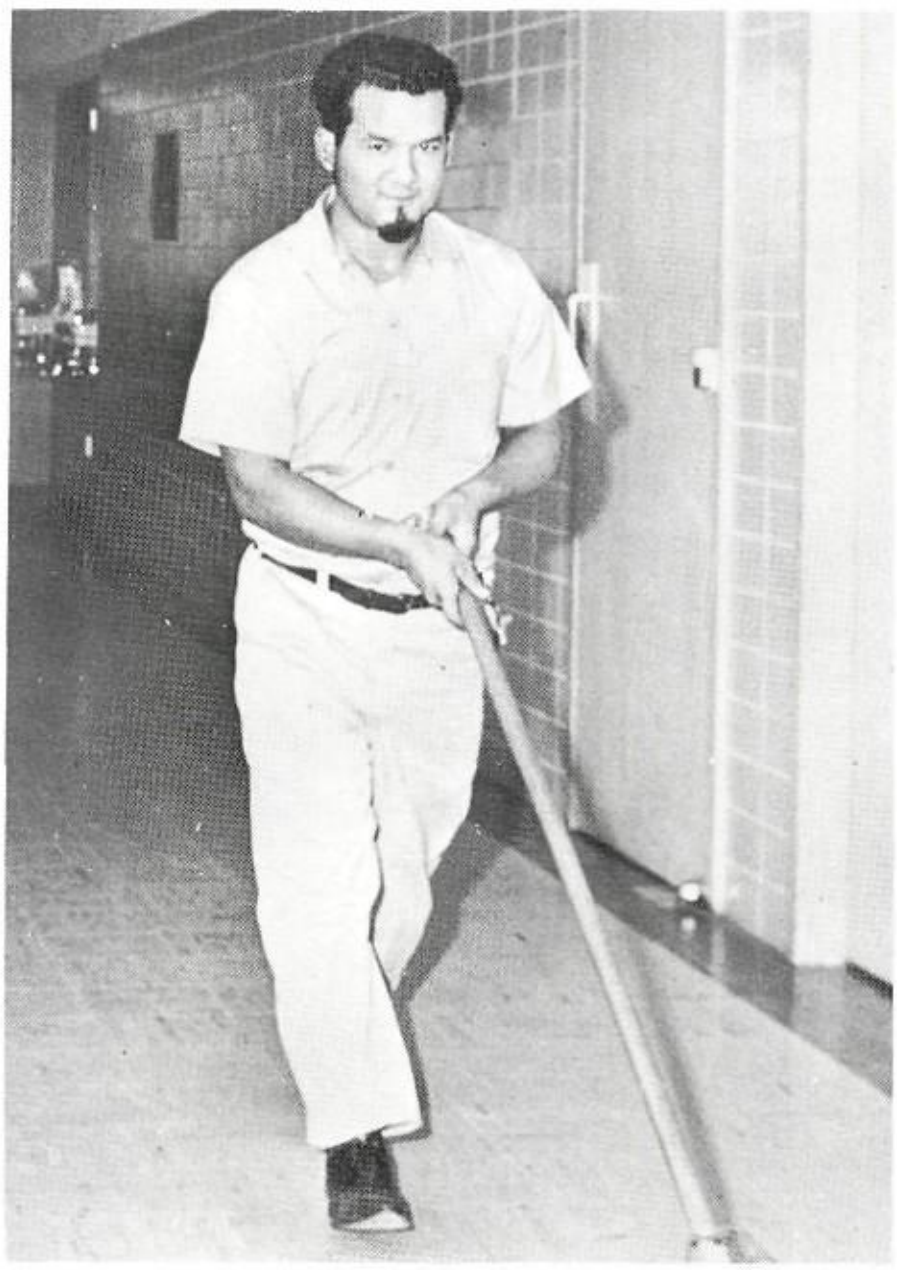

Making Highlands A Cleaner Place

Without a good maintenance crew, HHS would not be a well-run school. Our school depends on these people. They work to keep Highlands beautiful and spotless. Their work varies from general cleaning to replacing light bulbs and doing some repair work. These dedicated people are indispensable.

Top: Erma Jo Franklin is found doing some of her work. Bottom left: Raymond Kelly, one of the custodians, prepares to leave work. Bottom right: Roy Rodriguez sweeps one of the halls.

CLASSES

Seniors '71 . . . The Best Ever To Come

When the Seniors entered Highlands two years ago, their class sponsors, Mrs. Schelper and Mr. Howard, decided that the class of '71 would be the best yet to come. By working closely with the officers and representatives, they succeeded in keeping the rest of the class informed and interested in school and class activities.

The class of '71 has started several projects that it hopes will become traditional activities. Two assemblies were held each year to recognize the honors, both scholastic and athletic, of students in the class. A talent show was held each year to recognize the talents of class members.

Seniors '71 are concerned about other students, too. They sponsored a farewell assembly for the graduating Seniors the past two years. Since this is the first year for Freshmen to attend Highlands, the Seniors "adopted" the class in an attempt to make them feel more a part of the school. A welcome assembly was held by the Seniors to teach yells to the Freshmen and Sophomores. Skits were also presented depicting the days when the Seniors were new at HHS.

As they face the challenges of the future, the Seniors of 1971 will take with them knowledge and memories. However, some of their pride, spirit, and enthusiasm will remain an everlasting part of Highlands High School.

The Senior class officers are: Pat Robey, treasurer; Renee Fortier, secretary; Merry Corder, Debi Ball, Andy Alder, Linda Harwood, Carol Shaw, Susan Reinhard, sergeants-at-arms; Ronay Cromer, historian; Jimmy Brient, sergeant-at-arms; Kathy Jackson, chaplain; Janice Grumbles, reporter; Susan Hoffman, parliamentarian; Karen Kothman, vice-president; and Byron Griffin, president. Not pictured, Edward Gawlik, sergeant-at-arms.

Reflections Of Silver And Blue . . .

Seniors Seventy-Two

JUNIOR CLASS OFFICERS for '70-71 are: Front row: Gloria Rios, treasurer; Patricia Buckelew, secretary; Marianne Roba, sgt.-at-arms; Marion Drabek, reporter. Second row: Alice Walton, sgt.-at-arms; Janet Sietze, parliamentarian; Joyce Bishop, chaplain. Back row: David Grundy, president; John Taylor, sgt.-at-arms; Doug Fredrick, sgt.-at-arms; Mark Rush, vice-president.

Sponsors of the Junior Class are Mr. Roesler and Mrs. Jackson. Through their counseling and guidance, the class of '72 remained bright and shinin' throughout the year.

Knowing that 70-71 was the beginning of something new for the Seniors of '72, the Juniors gave Highlands all the spirit they could squeeze into the short nine months before their final year at HHS. The only way the Juniors could top winning battle cry three times in a row at Alamo Stadium was to have a Junior Spirit Day which boosted class spirit. Picking up pace after a momentous basketball season, the members of the Junior class anxiously awaited ordering their rings on February 1. Juniors "did it again" when they presented the talents of the Junior class during Junior Month in April. When the last 3:15 bell rang on May 28, one of the greatest Junior classes that Highlands has ever seen came to an end. A unique and distinct Senior class had emerged.

The Class Of Seventy-Two

"Giving it a try" was the theme used by the Junior Class Representatives throughout the school year of 1971. When the Junior Reps saw they could boost the class spirit one more notch, they went ahead and did just that. This was the driving force used the entire year in striving for a better class of '72. The representatives worked not as individuals, but together as one unit.

Seniors '73 . . . A Superior Class

Above: The class of '73 officers are: Front row: Mr. *Renfro, sponsor;* Betty White, secretary; Diane Miller, sgt.-at-arms; Jana Long, treasurer; Diana Brown, parliamentarian; Liz Blackwood, vice-president. Back row: Miss Carr, sponsor; Dawn Jackson, sgt.-at-arms; Gary Rudd, sgt.-at-arms; Shan Satcher, sgt.-at-arms; Glenn Mathews, sgt.-at-arms; Kathy Hawkins, sgt.-at-arms; Beverly Jackson, chaplain. Left: Sophomores watch the hilarious antics of the Polar bears at the zoo.

The Class of 1973 truly experienced an awakening of exciting innovations throughout the year. The Sophomores participated in the new dress code, found new friends, and learned new traditions.

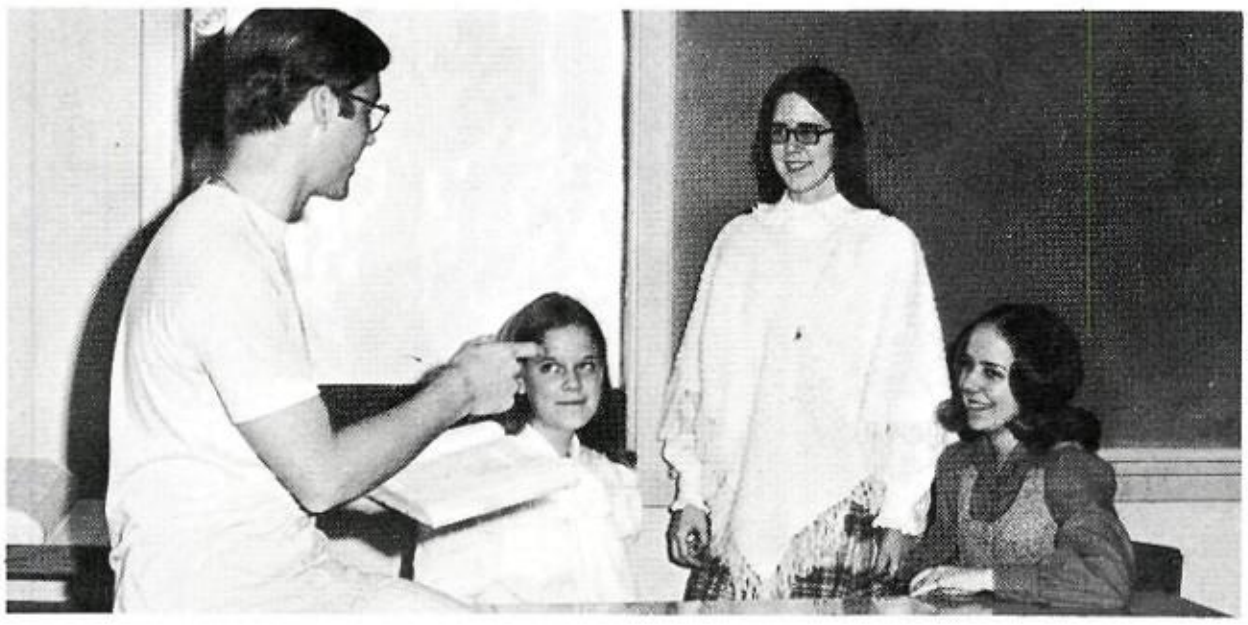

The election of Sophomore Class officers was the starting point for the preparation of a busy season. Under Mr. Renfro's and Miss Carr's helpful supervision, the class officers were able to get things rolling. Seventy-three Day was the biggest event planned for the Sophomores' year. It was held on the seventy-third day of school to signify their graduation year. Banners, posters, streamers, and 73-Day symbols added Sophomore spirit and color throughout the halls.

Moving closer to the end of a memorable and enthusiastic school year, the Sophomore Class began to understand the importance of taking part in the unified pride and spirit present at Highlands High School. The conclusion of a long, but knowledgeable school year truly laid the foundation for a superior class.

Top left: Tommy Barta is the Sophomore Class President for the year of 1971. Top right: Jana Long, Shan Satcher, Diane Miller, and Kathy Hawkins make absolutely sure Liz Blackwood deposits her dues in the owl banks before the meeting is over. Above: Glenn Mathews, Gary Rudd, Archie Escobedo and Floyd Prozanski, the sergeant-at-arms, jokingly think of ways to restore order at class meetings. Left: Tommy Barta carefully instructs Dawn Jackson, Beverly Jackson, and Diana Brown on some important class business.

Freshman Make A Comeback

Freshman boys help boost the students' spirit at a pep rally.

Once again Freshman are roaming the halls of H.H.S. They were transferred from several area Junior High Schools. One hundred ninety-seven Freshman find out just what "OWL PRIDE" really is. With many new experiences to undergo, there was never a dull moment as the busy year unfolded.

Even though there were no officially elected officers for the Class of '74, several advisories elected their own officers to get things moving. The Freshman held their own picnic in May at Pecan Valley Recreational Park. Money for the picnic was raised by collections from the Freshman advisories.

The Seniors of '74 are looking forward to three more years at H.H.S.

CLUBS and ORGANIZATIONS

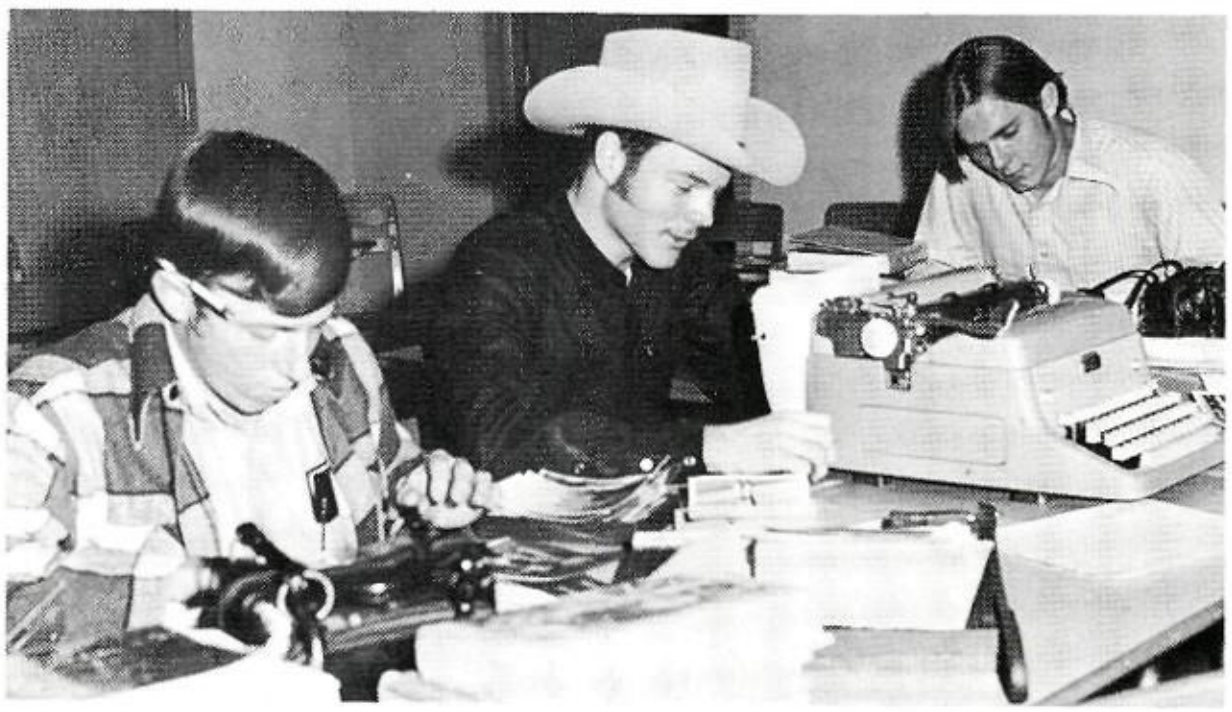

Brigadoon: At The Snap Of A Camera

Bubbling over with new ideas, the Brigadoon staff went into full swing putting together their ideas in order to make this year's annual the most outstanding yearbook ever! Through the dedicated and continuous efforts of the staff, the goal of capturing the most memorable events of the year in pictures and recording the varied facets of school life has been achieved.

The idea of this year's annual, as in years past, is to share these accomplishments with the rest of the students and also to serve as a photographic memoir in later years.

Aside from working on the book, the staff has enjoyed several parties. In April, a banquet was held for outgoing Seniors and new positions were announced.

Top: Sophomore-Freshman Editors Louise Eng, Cheryl Harwood, and Sandra Horton discuss plans for their section. Middle: Sports Editors Jerry Bairrington, Bill Odam, and Gary Dempsey organize pages for their section. Bottom left: Lisa Moore and Oscar Vann, Campus Life Editors, work hard to meet their deadline. Bottom right: Anna Caisse, Faculty Editor, smiles slyly when caught not doing her work, but her Co-Editor, Sharon Freeman, keeps busy.

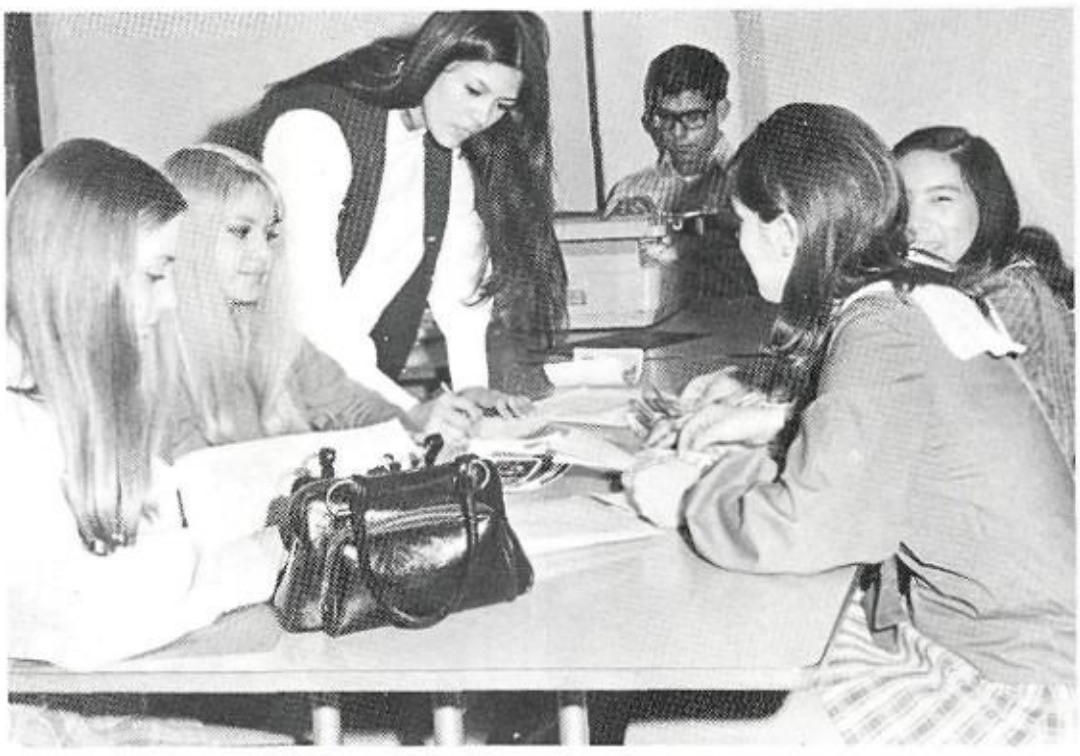

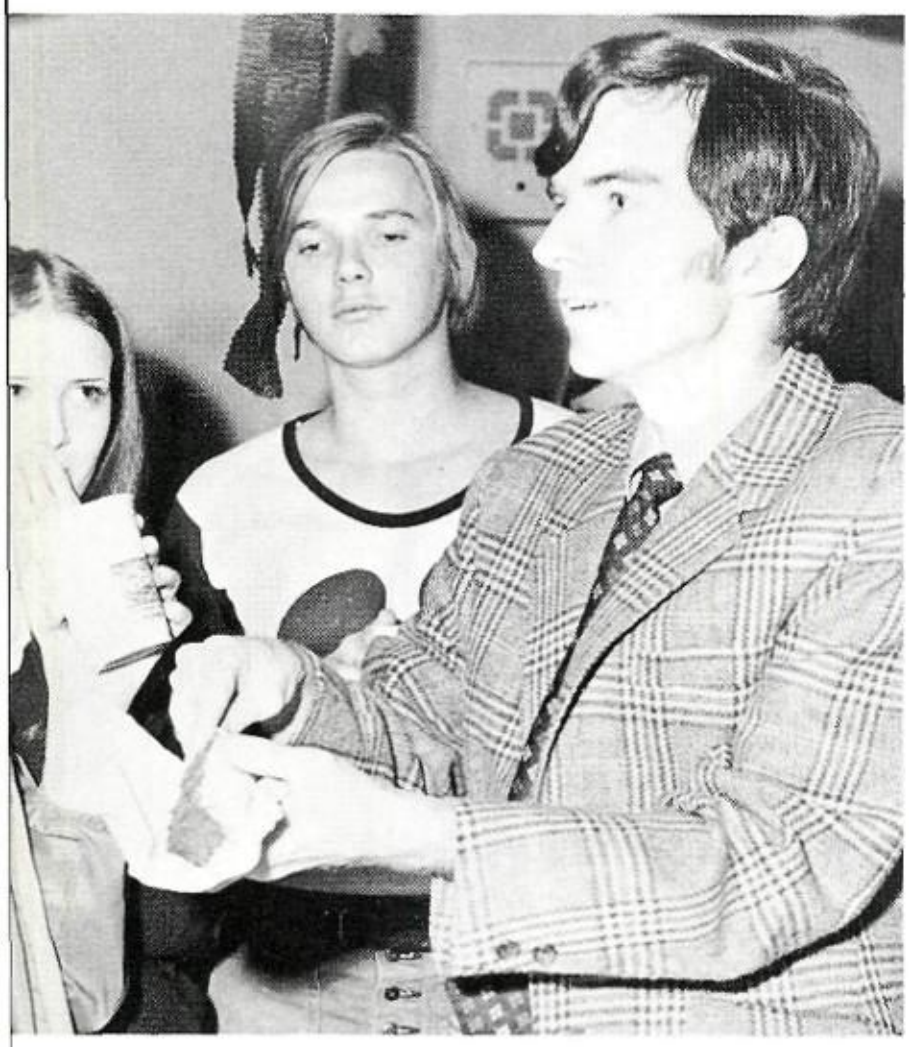

Top left: Darryl Menager, Editor-in-Chief, helps Clubs Editor Cynthia Sutherland while Business Managers Pam Sherrill and Sandi Kubos work on ads. Top right: Debbie Bobbish and Lynn Holzmann, Senior Class Editors, discuss picture ideas. Middle left: Junior Class Editors Gracie Gaytan, Lorene Moore, Sammy Burns, and Campus Life Editor Mary Ann Dillow work hard to complete their pages. Bottom right: Photographers Wesley Alston, and Danny Cowan, along with Head Photographer Ricky Fancher and Junior Class Editor Scott Nunnelly, pause for a moment before getting back to work. Bottom left: The Clubs and Organizations Editors for this year are Debbie Batterton, Gayle Doubrava, Nelda Castiglione, Pam Boehme, Mario Pedraza, Brent Laing, and Candie Pearson.

Brigadoon Equals All Work And Some Play

Top left: Cheryl Harwood and Sandra Horton file subscription receipts from the Brigadoon sale. Top right: Some of the staffers work together to meet a deadline. Bottom left: Aside from working, birthday parties are also celebrated. Mr. Gary Harlow, sponsor, serves the first piece of his cake. Middle right: Editor-in-chief Darryl Menager shows Debbie Batterton and Gayle Doubrava the correct way to crop and proportion pictures. Bottom right: Anna Caisse, Nelda Castiglione, Ricky Fancher, and Oscar Vann enjoy a party given by the junior staffers.

Parties Are Fun

Top left: Woody Davis wonders about Beverly Parrish's (Top right) fortune telling ability. Bottom: The staff looks on as Mr. Harlow announces the "Journalism awards."

Hot off the press . . . the Tartan, the school newspaper, keeps the student aware of what's happening on the fast changing Highlands scene. Much work, imagination, and research go into every issue. It is no wonder that this bi-weekly publication is one of San Antonio's finest high school newspapers.

The staff had a Christmas party at the apartment of their sponsor, Mr. Harlow. They visited KENS television studios and the Express and News publishing company in December. The year ended with a banquet at which the positions for the new school year were announced.

Working Toward A Future

As money-making projects, club members sold calendars, Fighting Owl pillows, and salesmanship kits. The D.E.C.A. Banquet was held on December 18, 1970.

Athenas—On The Move

Back in the days of Mythology, the Greek goddess Athena was pictured as holding either a staff, a spear, a helmet, or a twig of an olive tree. An owl was always somewhere near her, and for this reason Athenas received their name.

Athena members started their year off by selling maroon and white owl pennants. They also raised money by having cupcake sales. Other activities such as slumber parties and socials were held throughout the year. The year was topped off by the annual Mother-Daughter banquet at which new officers were installed and the senior Athena members were given a farewell.

Chiroanes keep in step with beauty, charm, and grace. Each year the members participate in various money raising projects, parties, and a hayride. Chiroanes made cookies for a nursing home during the Christmas season. They also prepared Easter baskets for orphans. In December, club members sponsored their annual style show. A Mother-Daughter Banquet was held at the end of the school year.

Listen To The Band!

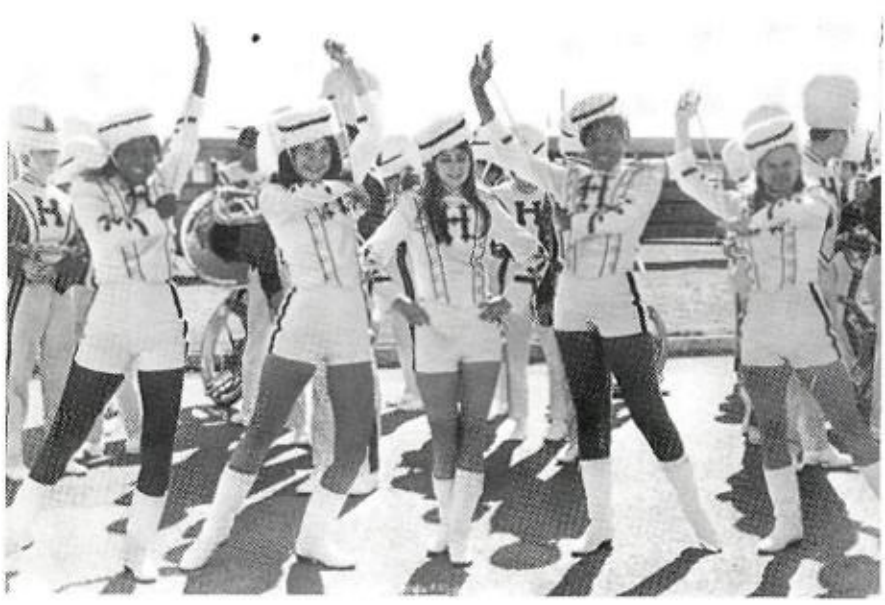

This year, as in years past, the Highlands Marching Band participated in the U.I.L. Regional Marching Contest which was held in November at Kennedy High School. With the much needed and welcomed support of the Brigade and Brigade Trainees, the Band had high hopes of achieving a first division which would have put them well on their way to the sweepstakes.

In inspection, the Mighty Owl Band earned a 1, and even though they did not make a 1 in marching competition, they can never be topped in spirit and pride.

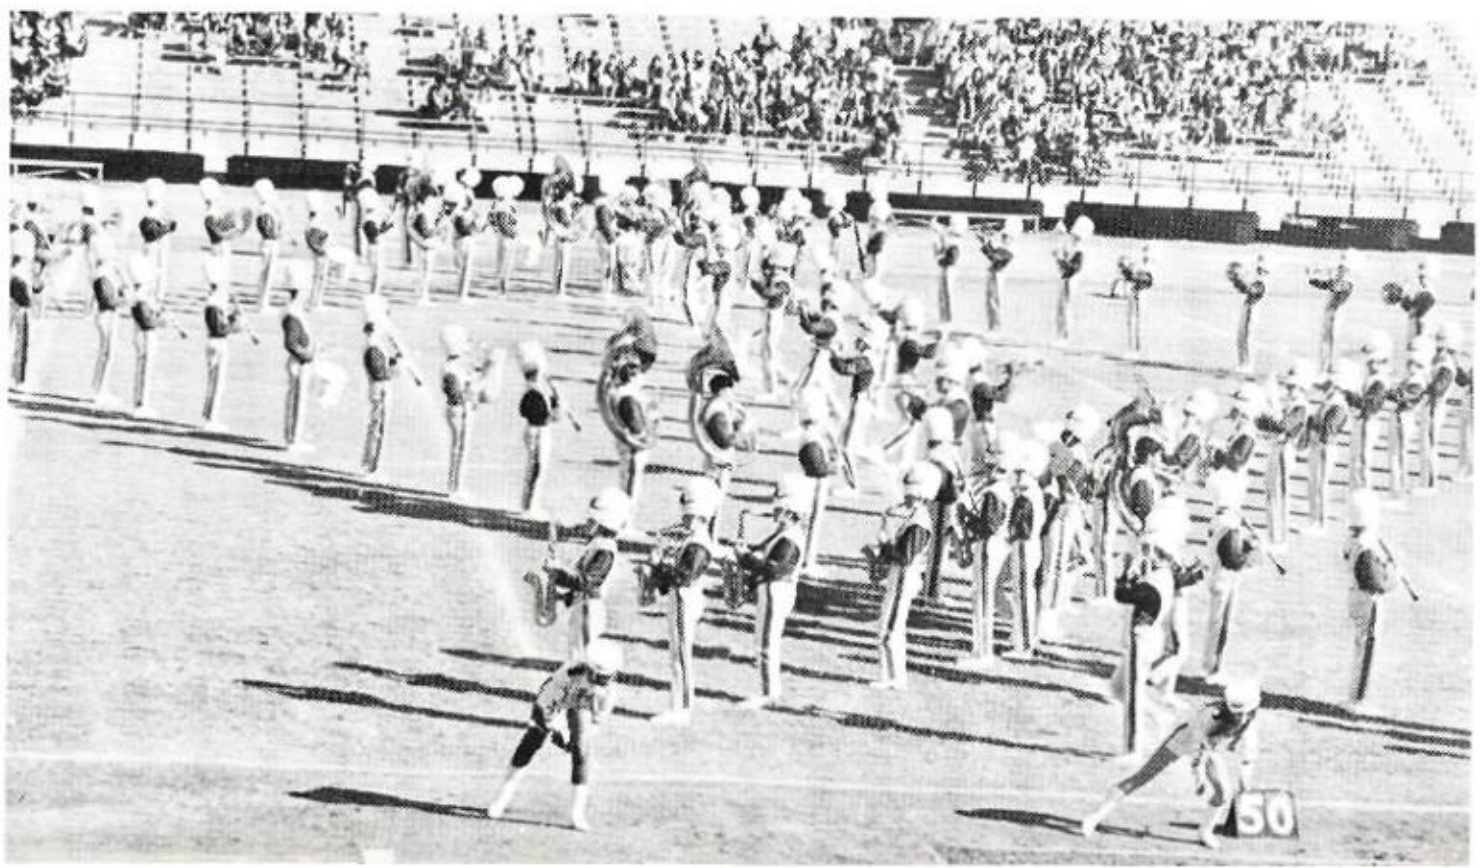

Glen Clark presents his trombone to Mr. Kuntz for inspection.

Majorettes Delores Clack, Janis Talbert, Diane Cermin, Claudette Harvey, and Mary Lou Martin, practice their salute before marching.

Patriotism, a word seemingly fading from the American scene, is still alive at Highlands. This spirit is kept alive by the Junior Reserve Officers Training Corps unit. This Patriotic tradition is preserved in extracurricular as well as classroom functions. Classes range from Military History and first aid to weapons instruction and company drill.

Cadets ushered at school, athletic, and social events, and marched in the Battle of Flowers and the Fiesta Flambeau parades. The Military Ball was held in February.

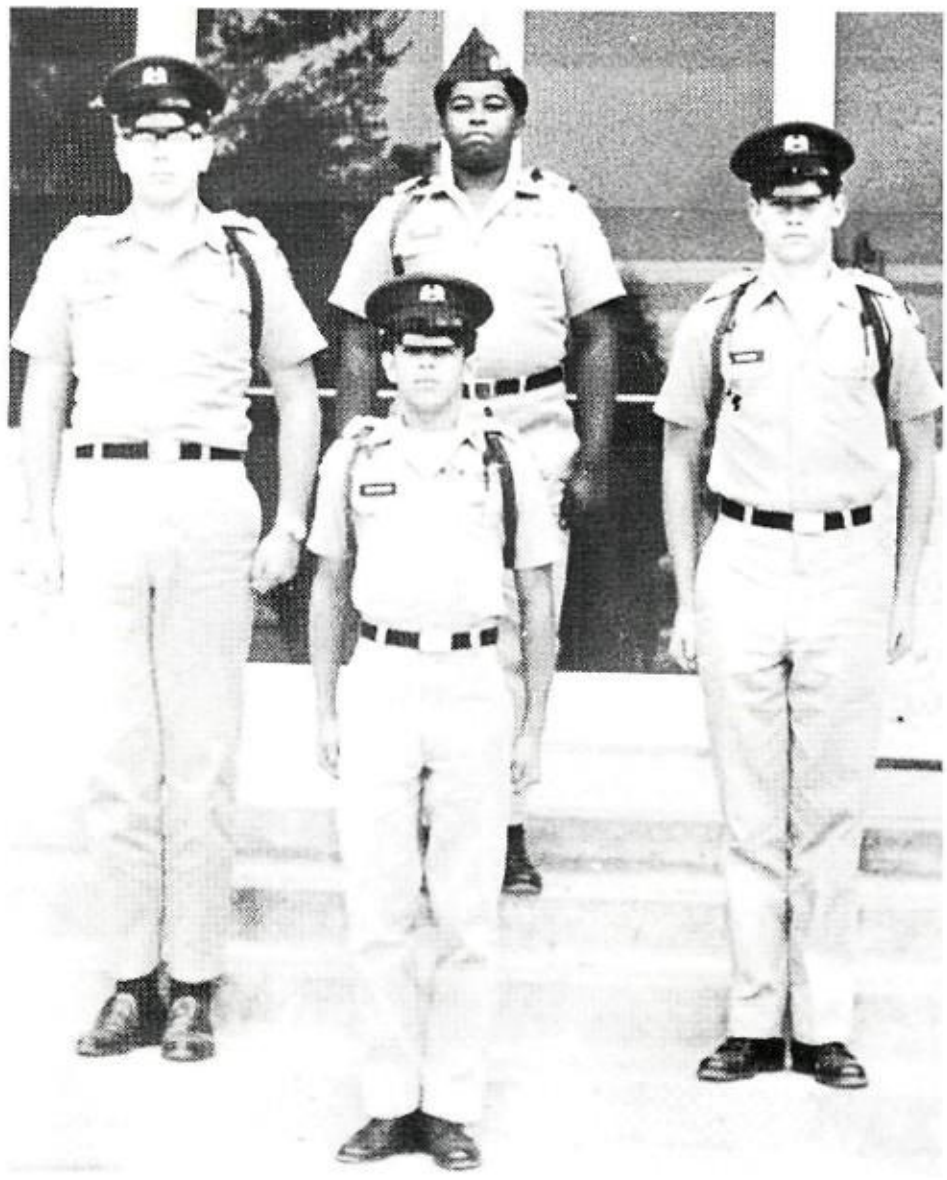

Throughout the year, ROTC members strive to meet their motto, "Training Today For Leadership Tomorrow."

Let The Music Flow

People that join the A Cappella Choir develop an appreciation for music and gain a general knowledge of the theory and history of music as well as skill in vocal music.

This year the A Cappella Choir participated in many activities such as selling candy to raise money and giving many concerts throughout the year. Members held their annual Christmas concert in the school auditorium and at Lackland Air Force Base. They also performed on television at Christmas time singing various melodies, and spent much time in preparation for the U.I.L. contest.

At Lackland Air Force Base, the choir gives it all they've got.

The A Cappella Choir officers are: Patricia Lewis, president; Oscar Vann, vice-president; Doretta Bruno, treasurer; Geraldine Moore, secretary; Peggy Jenkins, pianist; Linda Belcher, librarian; and Stuart Tolle, sgt.-at-arms.

Owls 2-1 In Non-District Play

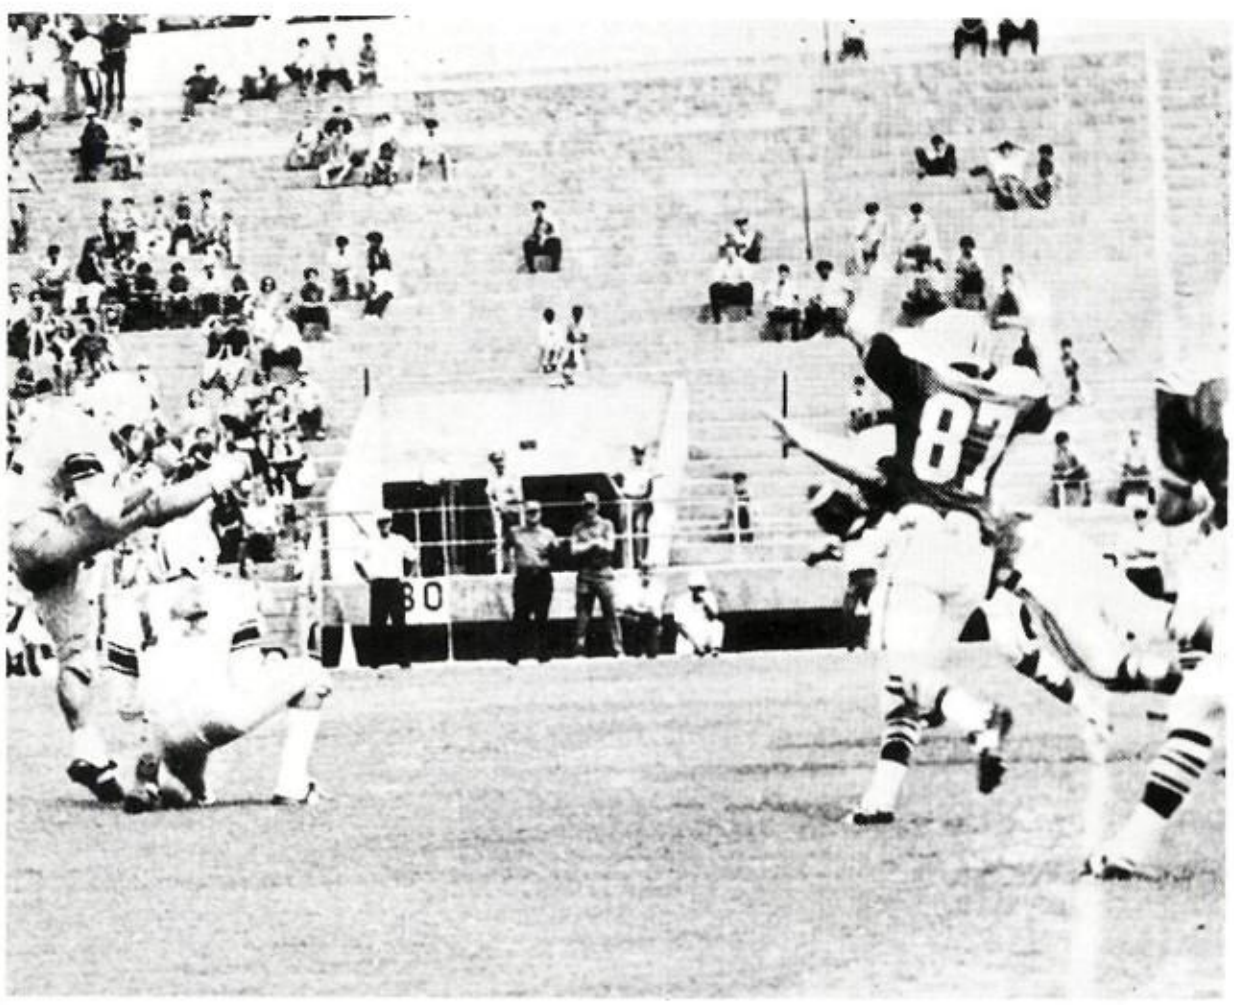

Beat "Jeff" And C. C. Moody But Lose To C. C. Ray

Coach Martin discusses strategy with the players during a time-out.

Backhaus scores from the second yard line to bring the score to 16-0.

Denny Peel's field goal attempt is blocked by Corpus Christi Ray.

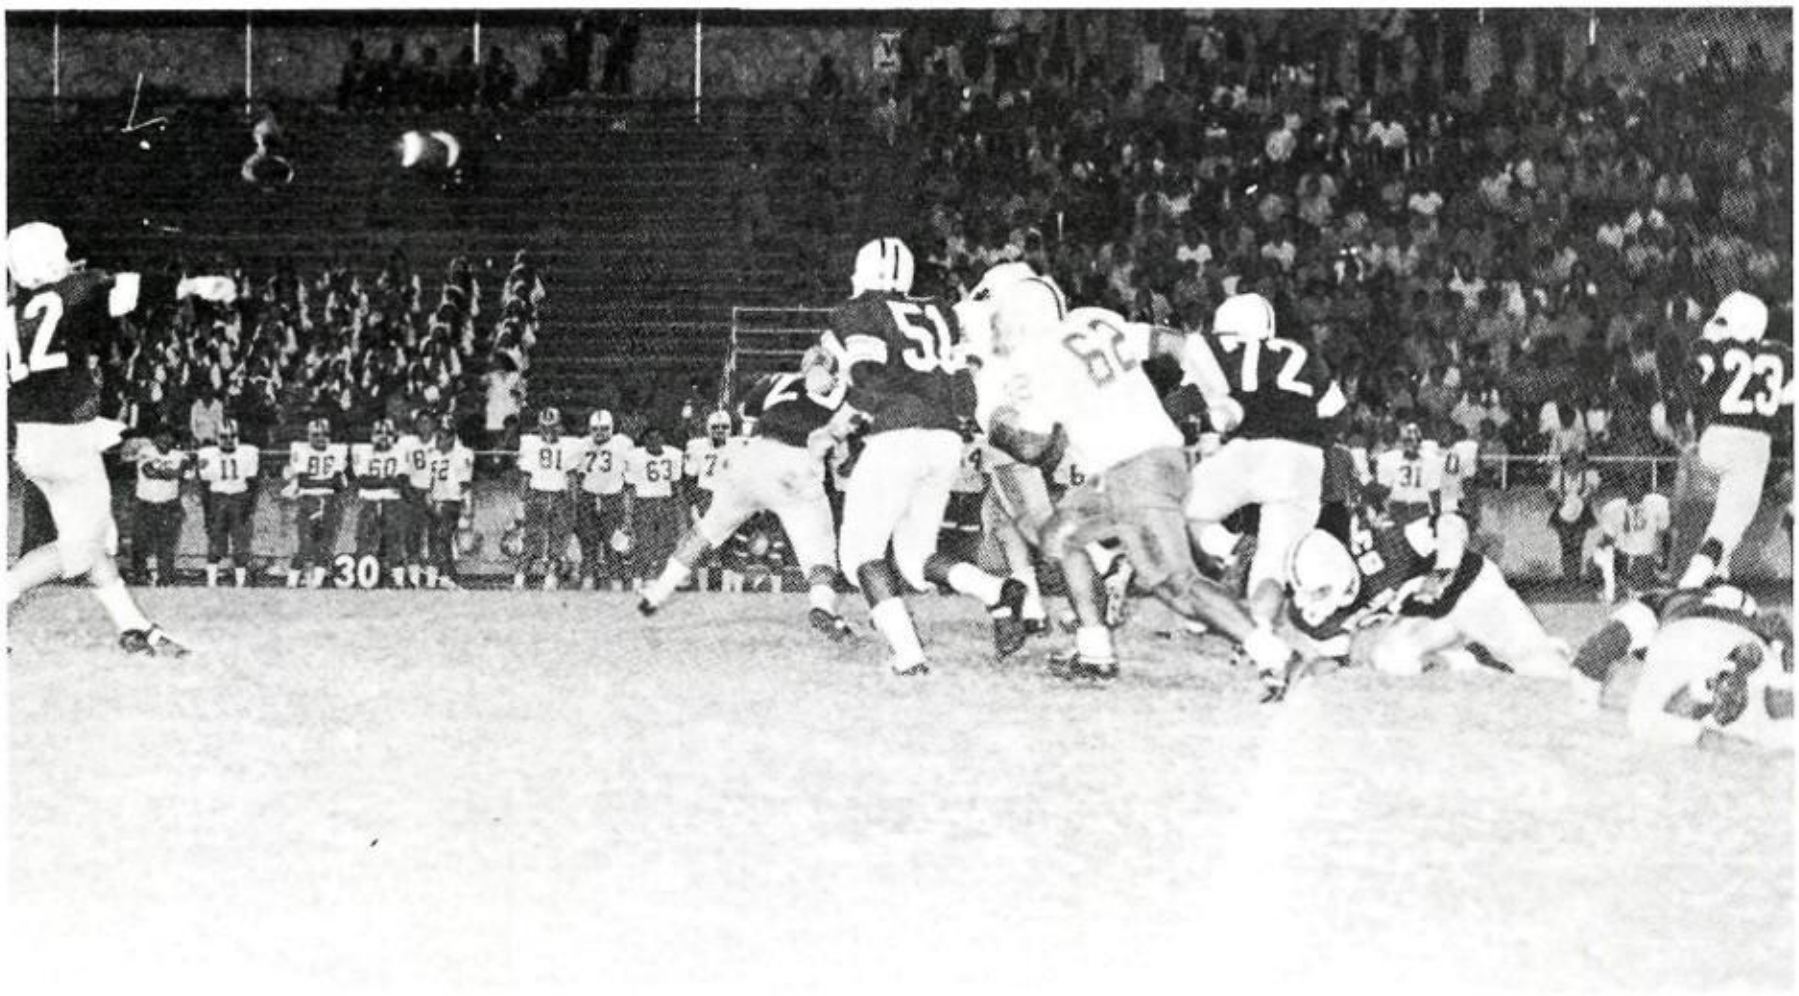

The '70 Owls went through non-district play with a 2-1 record.

Corpus Christi Ray beat the Owls in the first game of the season 14-7. Peel pushed the Owls to the five yard line on their first possession where he ran around the left end for our only touchdown.

Highlands bounced back and beat Jeff 16-0. The Owls scored a touchdown with a good PAT, and then a 25 yard field goal to bring the score to 10-0 at halftime. In the fourth quarter, Backhaus scored from the second yard line, but Jeff blocked Peel's PAT.

Highlands came through for a second straight win over C.C. Moody with a score of 21-14. The Trojans fumbled the ball twice inside the Owls 10, and fumbles set up two of Highlands' touchdowns and a field-goal. The Owls scored a touchdown in each of the first three quarters with a field goal in the fourth. Moody scored a touchdown and a good PAT in the first and fourth quarters. Hopkins led groundgainers with 184 yards in 23 carries.

Owls Pounce On Bobcats

The Owls came through to beat the Bobcats with a score of 21-14 after a non-scoring first half. Without a score in the first quarter, South San in the second quarter moved on with a 7-0 lead following a 56 yard drive in seven plays.

In the third quarter South San made an interception off of Denny Peel and ran 31 yards for another touchdown. With a score of 14-7, the Owls came back with an 82 yard touchdown run by Hopkins in the fourth quarter to make the score 14-14. Steele recovered a Bobcat fumble on their 31 to put the Owls in scoring position. Hopkins then ran another touchdown putting the score a 20-14. Fralix then made a good conversion to make the final score 21-14.

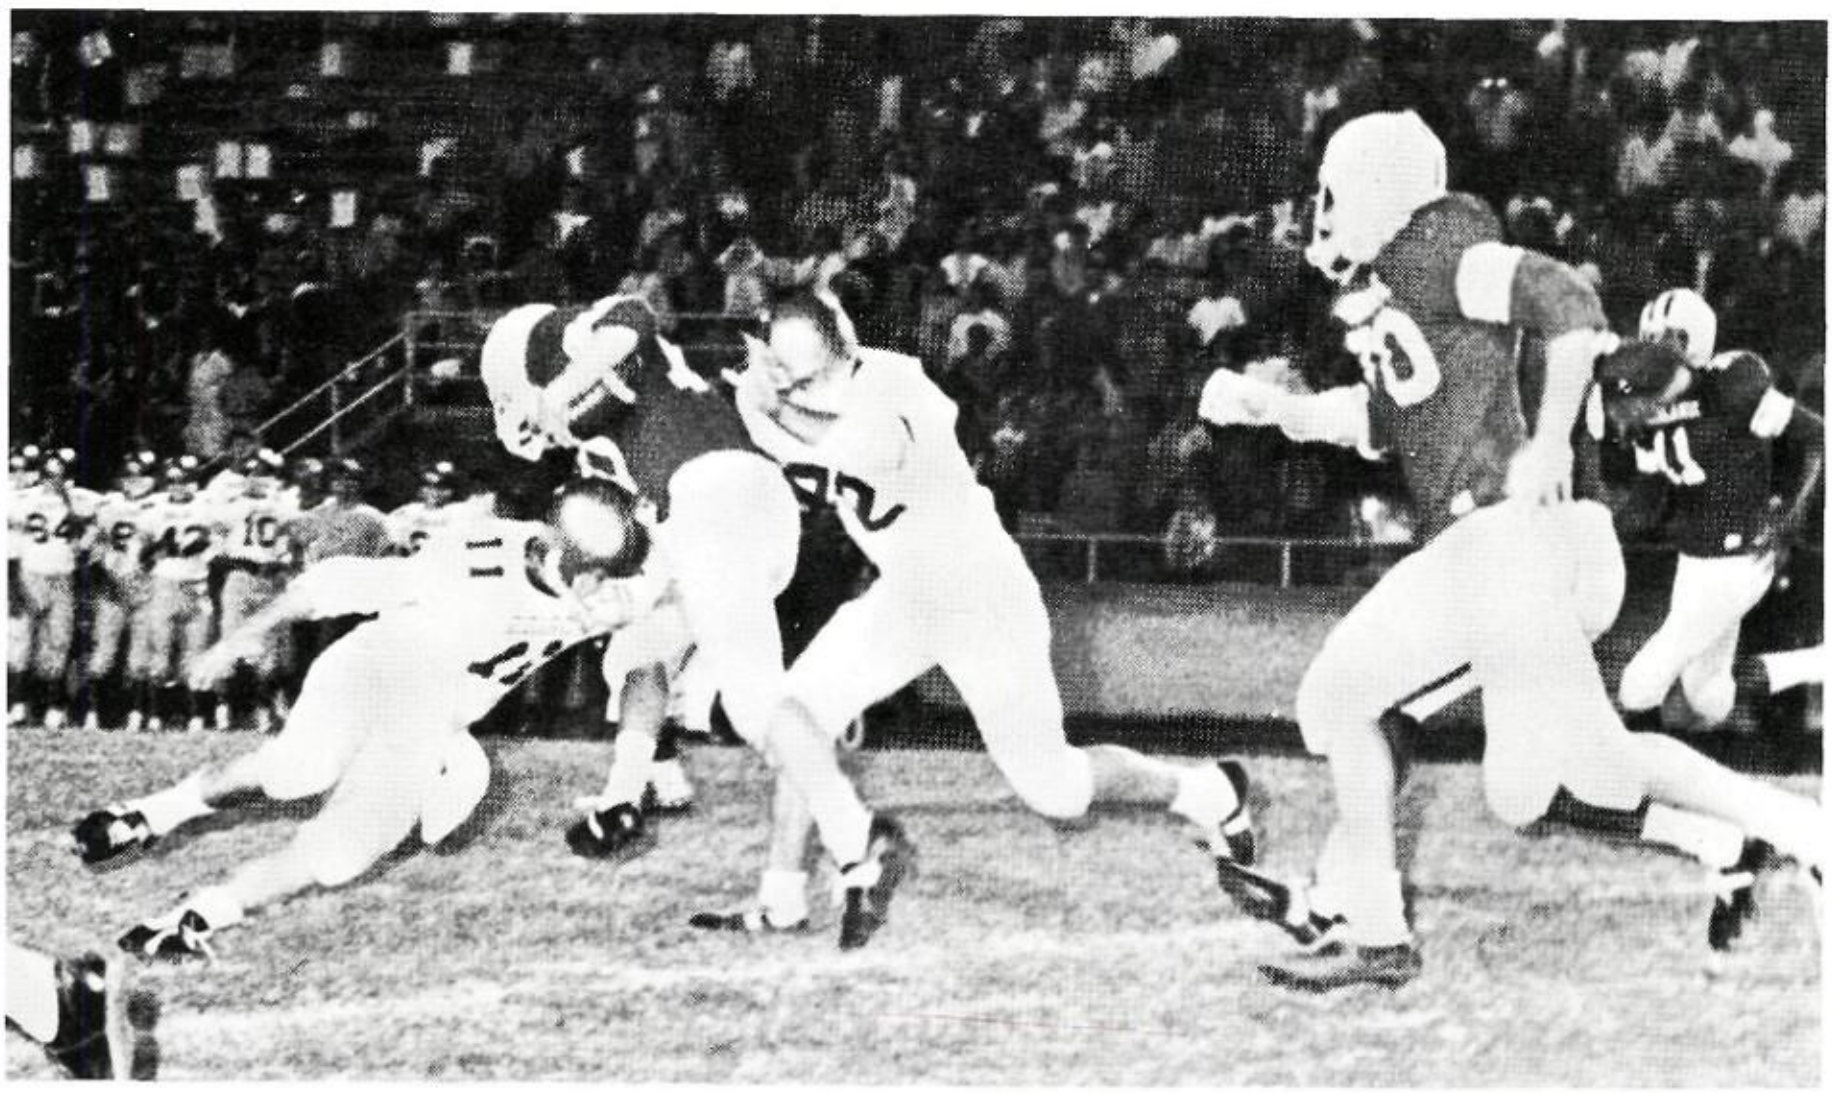

Owls Tree The Bears

The Owls scored on their first possession as Charles Fralix booted a 38 yard field goal. Many attempts were made to score after this but none were completed. In the second quarter, Fralix ran 61 yards and over the goal line, but the touchdown was called back by a clipping penalty.

The Bears attempted a punt against a 15 to 20 mile per hour wind and it only went 12 yards to the Edison 29. Nine plays later, Hopkins got his seventh touchdown of the year by diving over the left guard for the final yard. Fralix's conversion attempt was blocked. This ended the game with a score of 9-0.

Burbank Upset By Owls

The Owls scored on their first two possessions and went on to beat the Bulldogs 30-8. This game was Highlands fifth win in a row and third district win. The defense kept the Bulldogs at bay on the ground and in the air. Burbank managed to score their first touchdown in the second half, but Highlands bounced back with a 70 yard drive and a 35 yard touchdown pass to James Broadus. The scoring ended with 9:43 left to play when Charles Fralix kicked a 40 yard field goal to wind up the game with a score of 30-8.

The Owls beat the Cherokees 22-14 before a crowd of 5,383 fans to put Highlands in a first place tie with McCollum. John Steele recovered a fumble on the first scrimmage play which led to the first Highlands score. Houston scored twice within three minutes late in the first half. They never scored again. Henry Crawford scored the next Owl touchdown with James Broadus scoring the two extra points. With 25 seconds left to play, Freddie Coleman pilfered the ball from a Houston carrier and ran for a touchdown to end the scoring.

Cowboys Cage The Owls

McCollum ended a six game winning streak for Highlands when they overcame the Owls with a 12-0 victory.

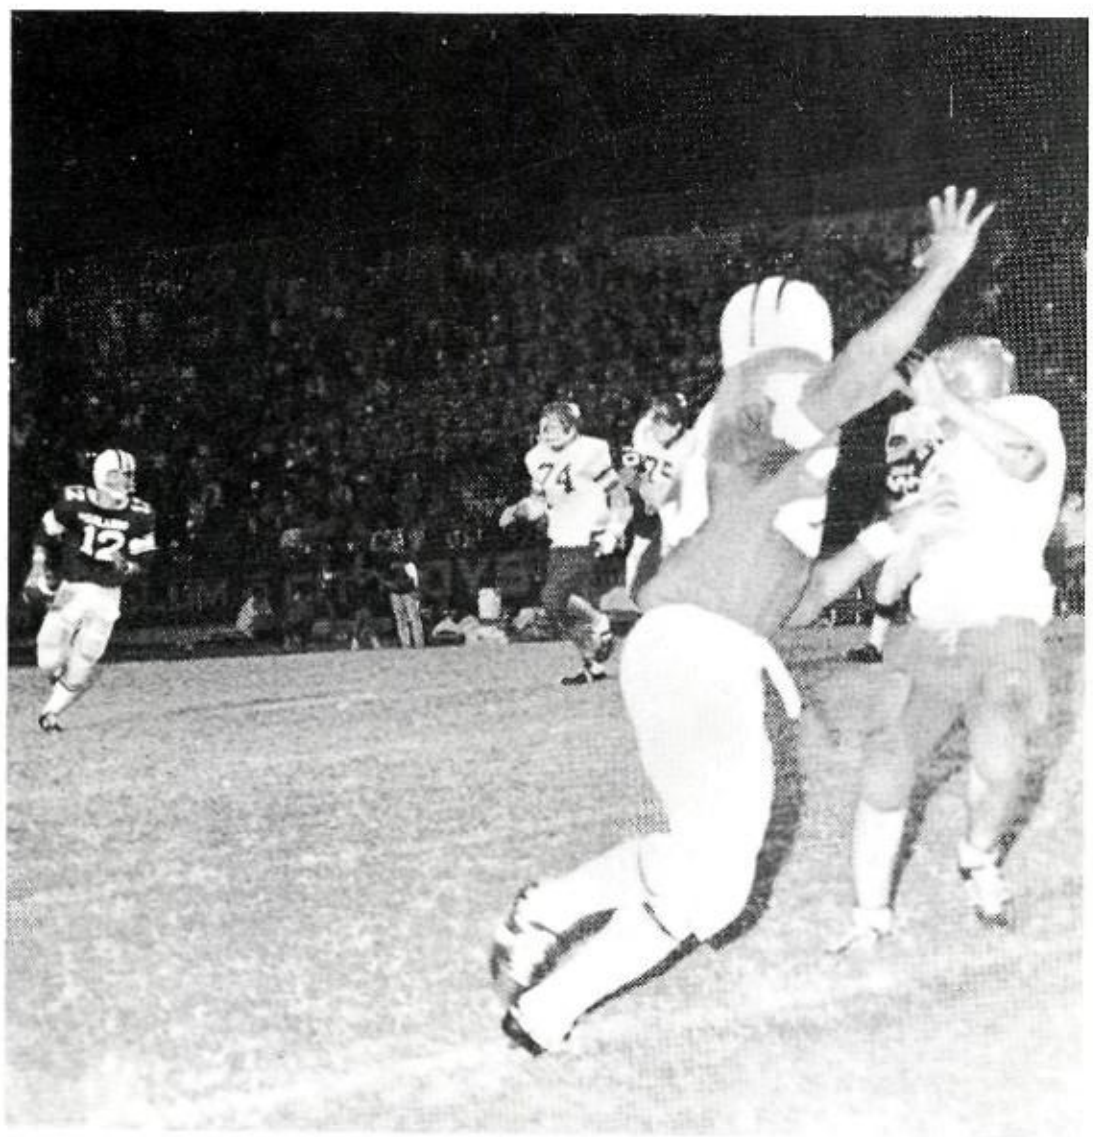

The Cowboys recovered a Highland's fumble on their 46, then their quarterback ran a left roll from the 6 yard line for a touchdown. The conversion attempt was unsuccessful.

With the score 6-0, the Owls fumbled again and McCollum recovered on their 39. The Cowboys then made another drive for a touchdown and an unsuccessful conversion attempt.

With an Owl dominated third quarter, an uneventful fourth quarter, and a rash of McCollum interceptions, the final score was 12-0.

Harlandale came back in the second, also with a 64 yard drive to tie the score at 7-7. Highlands scored again late in the second quarter. With 10:16 left in the third quarter, Hopkins raced into the endzone from the 11 yard line to make the score 21-7. On the second play of the fourth quarter, Charles Fralix kicked a field goal to end the Owl's scoring. The Indians scored once again midway into the fourth quarter.

Eagles Fall To Owls: 24-14

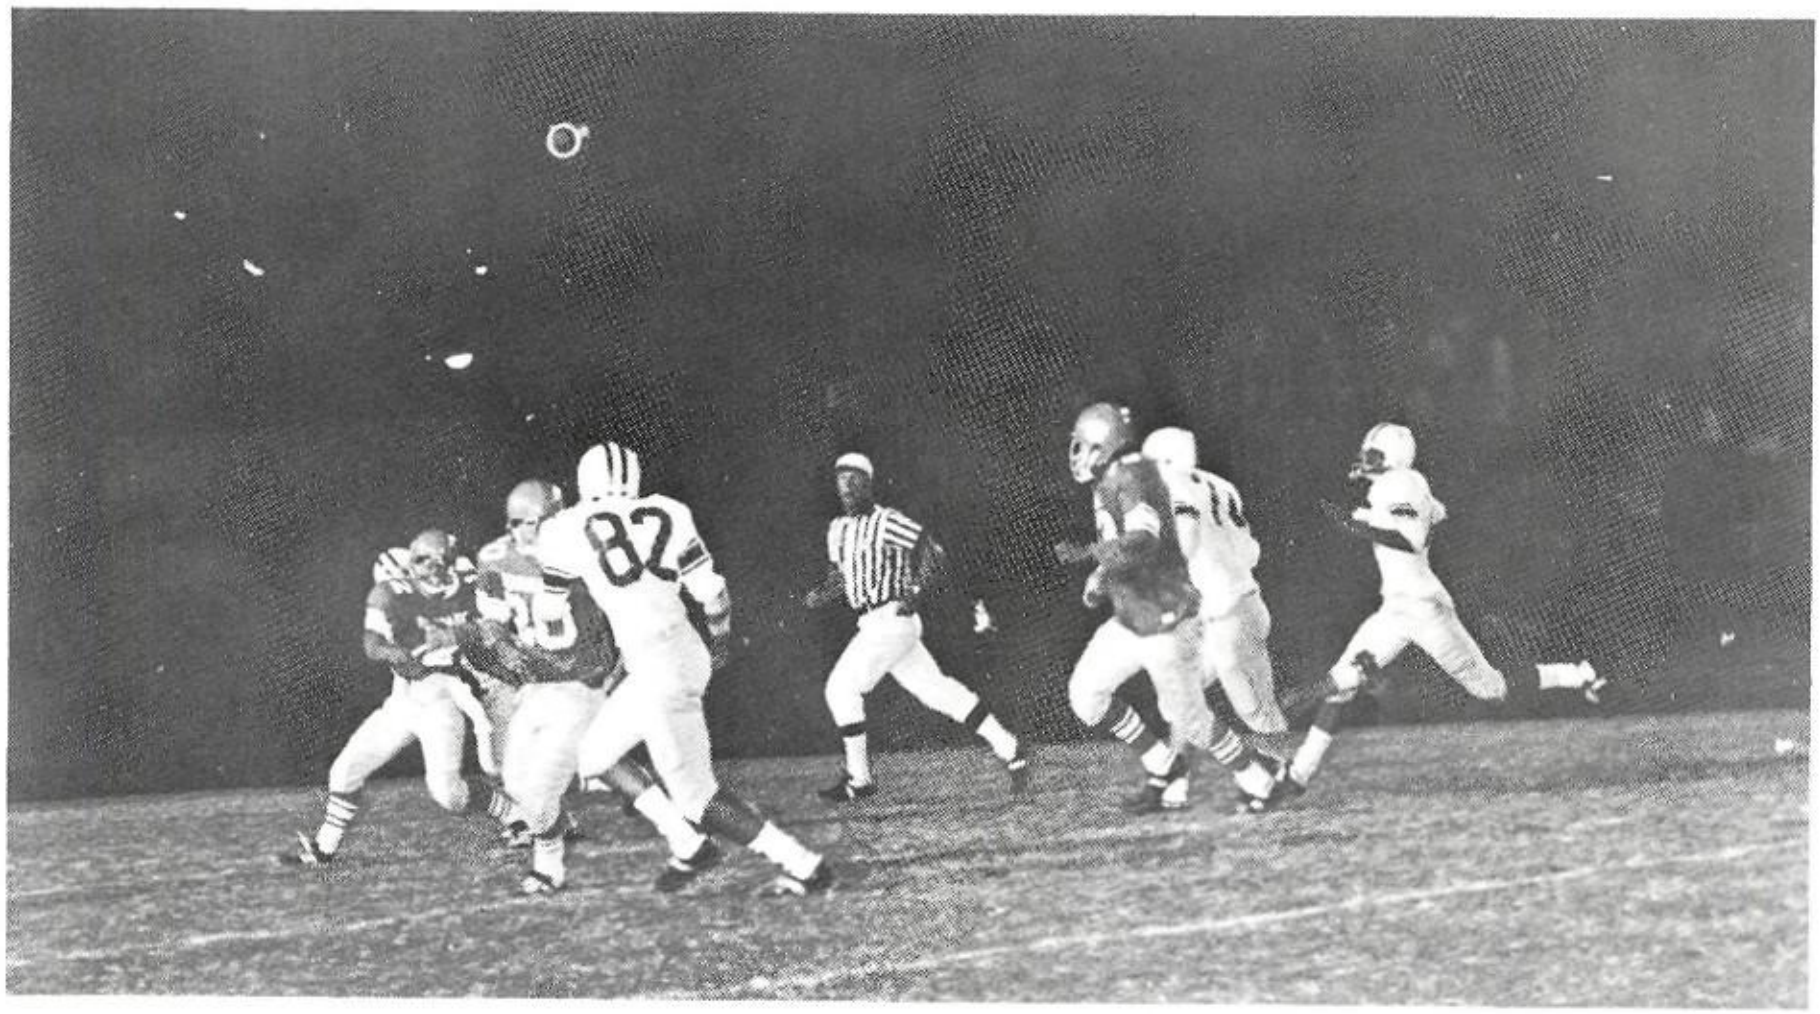

Highlands ended the season with a victory over Brackenridge. Charles Fralix kicked a 19 yard field goal on the Owl's first possession, but the Eagles bounced back with a 51-yard drive for a touchdown. The Eagles extra point attempt was blocked by Eddie Zaiontz. Highlands took the lead again in the second quarter, 10-6, with a three play drive topped off by a 30 yard pass by Peel to James Broadus. Fralix then came through with a conversion. The Eagles then came through with a 16 yard scoring pass play at the half to make the score 10-12. The Owls took over in the fourth quarter with two touchdowns to end up the game with a score of 24-12.

PEN the DOOR '74
SPIRIT '71

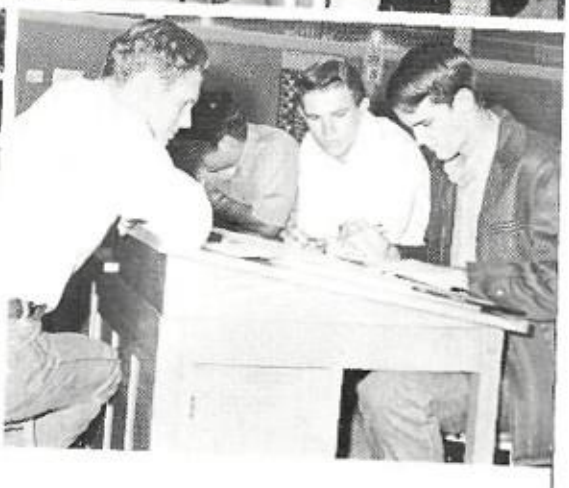

Expressions . . . '71

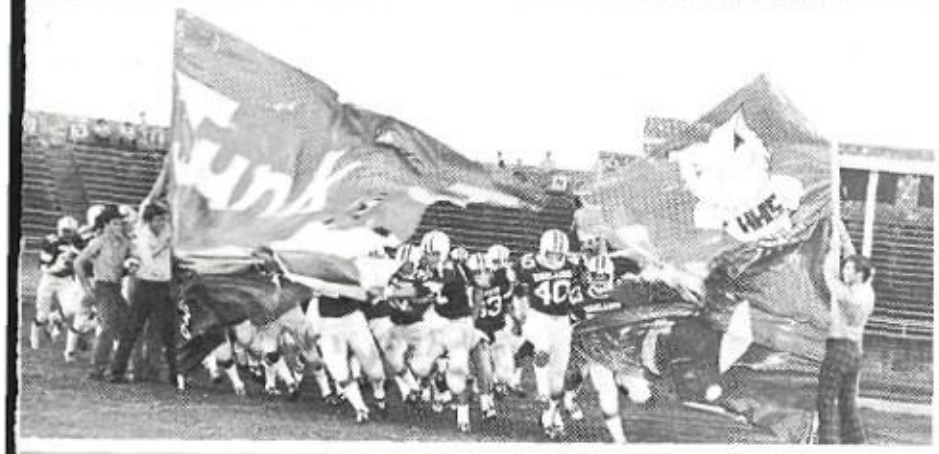

As the 1970-71 school year is recorded in the dusty journals of history; the spirit, emotions, and accomplishments of the year live on . . . motivating new and better ideas and feats in the realms of education and humanity.

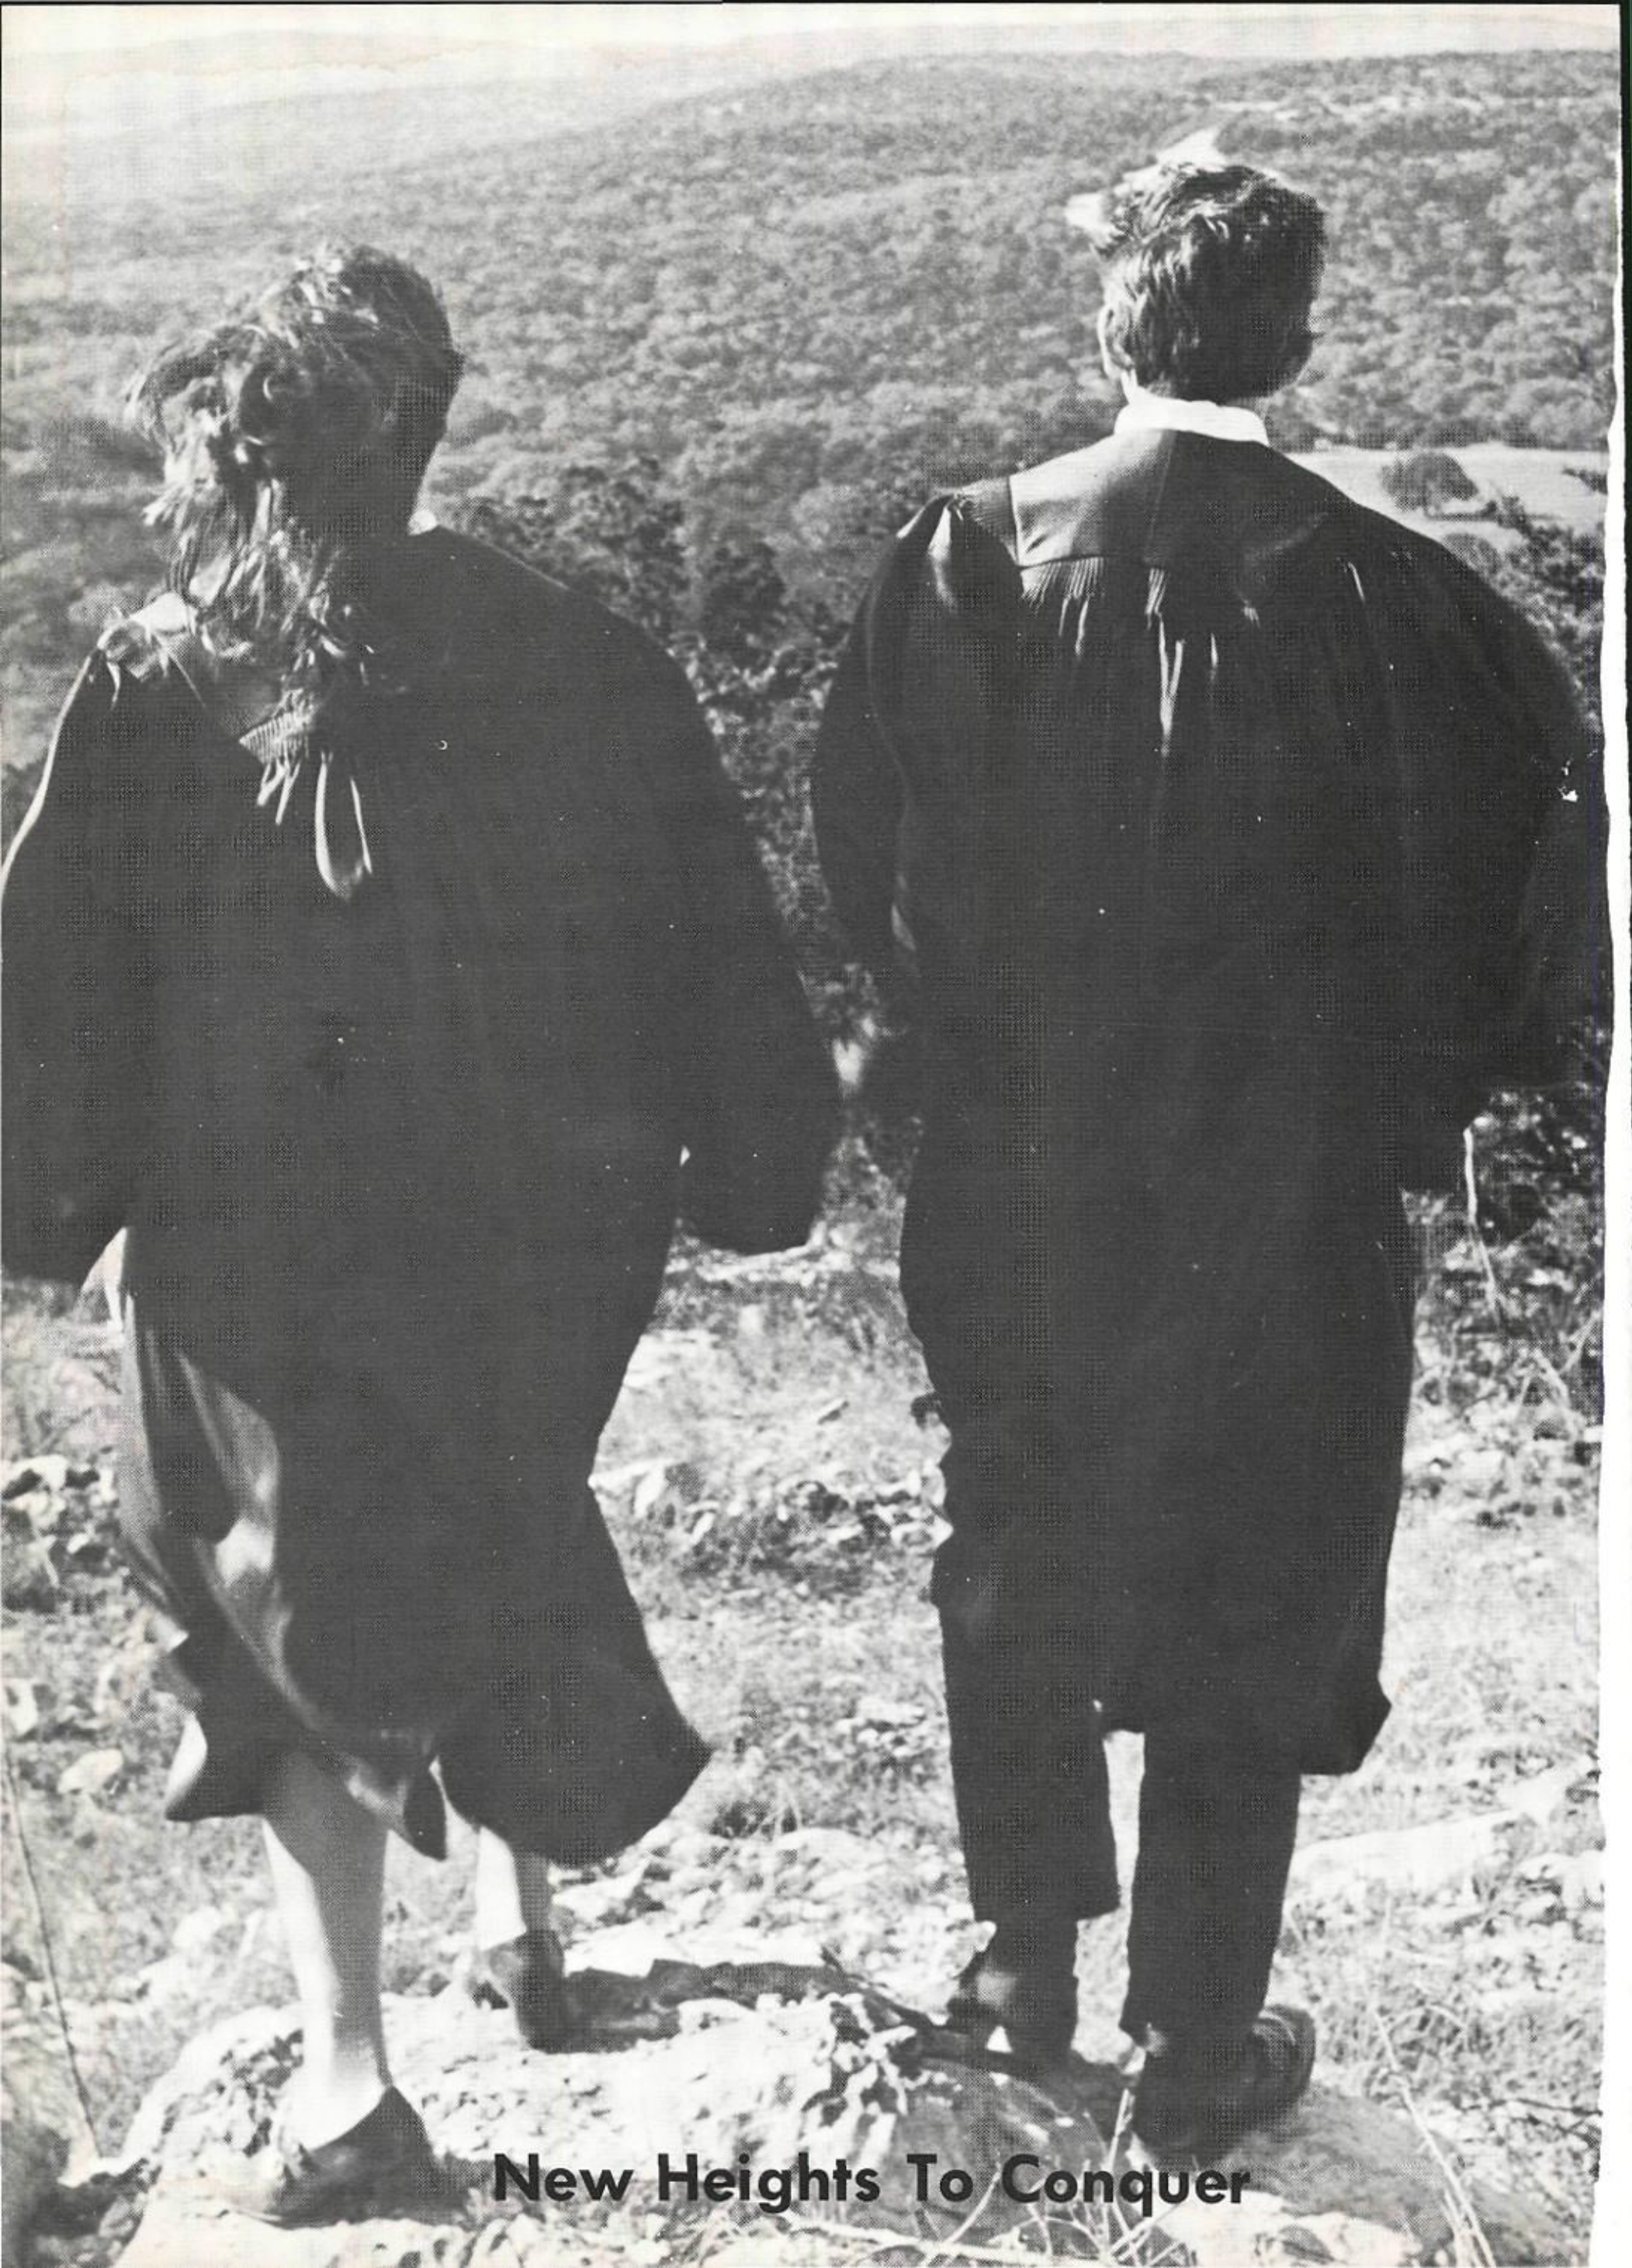

As one looks back on the year, he realizes that through the guidance of the administration, the faculty, and fellow students, he has been better prepared for a future which holds opportunity, truth, hope, and happiness.

Yours Truly,

Darryl Menager
